Universities Handbook ,2010 **Vienna Universal Exhibition 1873. A Classified and Descriptive Catalogue of the Indian Department** John F. Watson,1873 Government Gazette ,1891 **Roots of North Indian Shi'ism in Iran and Iraq: Religion and State in Awadh, 1722-1859** Juan R. I. Cole,2024-11-28 In this pioneering study of the Twelver Shi'i branch of Islam prevalent in Iraq and Iran Juan R I Cole traces the influence of Shi'i rule on the development of religious communalism and conflict in the north Indian State of Awadh Oudh as well as the relationship of the Shi'i clergy to the state and the clerical reaction to British imperialism and capitalism Based on research in rare manuscripts and in archives the book reveals that the Shi'i clergy advocated policies that caused resentment among Sunnis and Hindus thereby promoting religious communalism and setting the stage for modern communal conflict The Shi'i learned men took government posts in support of Awadh's Shi'i nawabs and shahs Awadh state support in turn helped transform Shiism from a persecuted sect to a dominant if still minority religious establishment Sociologically the book draws attention to the specific role of the state in defining sect and church It also argues the importance of class divisions within the Shi'i community showing that the dominant clerical ideology was often not accepted by the laboring strata Cole's study supports the view that Muslim communalism in northern India had genuine historical roots and was not simply an elite strategy of modern Muslim politicians Contrary to the arguments of some writers and to the image projected by Iran's current ayatollahs he argues that most Shi'i clergy did not play a role of opposition to the state in premodern societies *The Missionary Herald* ,1813
