

With its Foliage Green Magpul furniture, this AR-15 brings new meaning to the term "going green," especially when it involves a dedicated 9mm semi-auto carbine that's ready for home defense or any close-quarters application that calls for a fast-handling pistol caliber carbine. Light and compact, its straight-line construction, coupled with the low recoil of 9mm ammunition won't wear you down, so you can comfortably practice at the range all day.
