Arabic Script in Motion M. Javad Khajavi,2019-04-12 This book is a pioneering study of temporal typography and time based calligraphic art written in the Arabic system of writing Inspired by the innate qualities of Arabic script as well as certain practices in Islamic calligraphy and contemporary calligraphic art the book devises five broad categories of temporal behaviors for Arabic characters in time based media It goes onto expand the vocabulary used to describe Arabic script s appearance in time based media and proposes a theory to help artists practitioners and theoreticians push the boundaries of temporal text based art Furthermore it tackles questions of legibility and readability and seeks to understand how temporality of Arabic text influences the creation of meaning This book will therefore appeal not only to animators designers and artists but also to commentators and scholars who deal with temporal text based art written in Arabic script *ACE Folklife Guide* TJ Morris, The Type of Calligraphy J. R. (Wayne) Osborn,2008 This dissertation examines multiple applications of Arabic script and the relationship linking visual design with written communication It presents typography and calligraphy as distinct communicative practices and explores the importance of print culture and printed material in relation to the rise of the modern bureaucratic state The work is arranged in seven chapters each illustrating how changes in the visual appearance of Arabic letters connote distinct channels of textual authority and knowledge Chapter 1 opens a comparative framework with three models of writing in relation to religious tradition and Chapter 2 explores written communication through the lens of grammatology Chapter 3 delves into the Arabic calligraphic tradition the symbolic interpretation of letters and the meanings of multiple scripts With the arrival of print Arabic writing practices shifted in response to a new communication technology and Chapter 4 outlines the Ottoman adoption of print technology This section examines historical and archival material which chronicles early Ottoman printing as well as post print developments of Ottoman calligraphic art The symbolic visual and textual changes that accompanied the new medium are addressed in Chapter 5 and Chapter 6 introduces a comparative study of Arabic letter design in modern Jordan A series of interviews with practicing calligraphers graphic designers and contemporary artists highlight diverse applications of Arabic script and the

flexibility of written communication and Finally Chapter 7 reflects upon the historical trajectory of previous chapters to ask what the story of Arabic script might teach us about the future of writing This chapter traces the continuity of calligraphy and digital design and suggests a more nuanced concept of writing for digital practice As practices of writing continue to shift both in the Middle East and globally visual conventions surrounding Arabic script provide a wealth of strategies worthy of preservation and exploration The British Library Guide to Writing and Scripts Michelle P.
