Arafura Unfinished Business:

Arafura Unfinished Business Susan Lattwein, 2014-11-02 Love is patient love is blind love is explosive Still recovering from losing the love of her life schoolteacher Kat is kidnapped by amateur terrorists and caught up in their crazy plan to bomb a visiting US warship in Darwin Time is running out Why can't Kat's rescuer convince authorities to take his intel about the terrorists seriously Must he form a counter plan with Kat's help Not only that can her rescuer convince Kat's ex fiancé to take him and Kat seriously and move on Only first can her rescuer win back her trust He's a military man with a past and that past has come back to haunt both of them But it's not all dark there's plenty of action and laughter along the way The romance and adventure continue in this the second novel in the ARAFURA series by Susan Lattwein Sovereignty and the Sea John G. Butcher, R.E. Elson, 2017-03-24 Until the mid 1950s nearly all the waters lying between the far flung islands of the Indonesian archipelago were as open to the ships of all nations as the waters of the great oceans In order to enhance its failing sovereign grasp over the nation as well as to deter perceived external threats to Indonesia's national integrity in 1957 the Indonesian government declared that it had absolute sovereignty over all the waters lying within straight baselines drawn between the outermost islands of Indonesia At a single step Indonesia had asserted its dominion over a vast swathe of what had hitherto been seas open to all and made its lands and the seas it now claimed a single unified entity for the first time International outrage and alarm ensued expressed especially by the great maritime nations Nevertheless despite its low international profile its relative poverty and its often frail state capacity Indonesia eventually succeeded in gaining international recognition for its claim when in 1982 the United Nations Convention on the Law of the Sea formally recognized the existence of a new category of states known as archipelagic states and declared that these states had sovereignty over their archipelagic waters Sovereignty and the Sea explains how Indonesia succeeded in its extraordinary claim At the heart of Indonesia's archipelagic campaign was a small group of Indonesian diplomats Largely because of their dogged persistence negotiating skills and willingness to make difficult compromises Indonesia became the greatest archipelagic state in the world The Transactions of the Bombay Geographical Society Bombay Geographical Society, 1860 List of members in v 1 2 9 10 15 18 *Transactions of the Bombay Geographical Society ...* Bombay Geographical Society, 1860 List of members in v 1 2 9 10 15 18 In the Province of the Dragon Robert Banks, Linda Banks, 2025-02-17 This book provides a close up account of a singular woman's life and work Sophie Newton's desire to serve God led her to the forefront of missionary work in Southeast China from the last years of the Imperial Dynasty She lived through the tumultuous events of the Boxer Rebellion the Nationalist Revolution the Warlord Conflicts and the rise of the Communist Movement Newton spent her life empowering females through establishing schools training Bible women and adopting children as well as challenging infanticide child marriage foot binding and the opium trade Drawing on a wide range of family journals personal letters archival records newspaper reports and personal interviews this book tells her story one that shows how
