Archer S Voice:

Archer's Voice Mia Sheridan, 2016-11-01 A beautifully touching story of true love and triumph over heartbreaking situations People com From New York Times bestselling author Mia Sheridan comes an emotional slow burn romance about a woman desperate to hide and the man who sees through her walls perfect for fans of Colleen Hoover and Lucy Score I wanted to lose myself in the small town of Pelion Maine To forget everything I had left behind The sound of rain The blood The coldness of a gun against my skin For six months each breath has been a reminder that I survived and my dad didn't I'm almost safe again But the moment I meet Archer Hale my entire world tilts on its axis and never rights itself again Until I trespass into his strange silent and isolated world Archer communicates with no one Yet in his whiskey colored eyes something intangible happens between us There's so much more to him than just his beauty his presence or the ways his hands communicate with me On me But this town is mired in secrets and betrayals and Archer is the explosive center of it all So much passion And so much hurt But it's only in Archer's silence that we might just find what we need to heal and live Includes an exclusive extended epilogue from Archer's POV A Goodreads Top Romance Novel of All Time A New York Times USA Today and Wall Street Journal bestseller
