Exam Study Guide is geared toward users who have been using Autodesk Revit for at least six months and are ready to pursue their official Autodesk Revit certification. This fast-paced book will get you ready for the certification exams quickly with fun and easy-to-follow instructions covering everything from masses to views to documentation. Autodesk offers two levels of certification exam: the Autodesk Certified User exam and the Autodesk Certified Professional exam. This book covers both of the Autodesk Revit certification exams using step-by-step instructions and is packed with valuable information you'll want to know before taking either of these exams. This book will get you up to speed quickly on the nature of these exams questions so you will know exactly what to expect on exam day. This book is the most comprehensive and thorough preparation for these exams available. Included are exercises, practice questions, and exam simulations which are intended to simulate knowledge users should have in order to pass the certification exams. Also included with this book are two complete practice exams: one for the certified user exam and the other for the certified professional exam. These practice exams are programs that can be run on your Windows computer. Each exam is timed and designed to simulate the type of questions you might encounter during the exams. Each chapter is organized into a few sections. The first part of every chapter gives you an overview of the topics covered in that chapter. Next is a series of exercises designed to prepare you for the Certified User exam. After that is a series of exercises designed to prepare you for the Certified Professional exam. Finally, every chapter concludes with two quizzes modeled around the two exams to test your knowledge of the information covered in that chapter. The competition for jobs is steep, and employers can afford to be picky. Being a certified Autodesk Revit User or Professional is an excellent way to distinguish yourself amongst other professionals and prove to employers that you possess a high level of knowledge and skills.
