(English) Ramón H. Guiardinú,2024-07-28 In a world where the boundaries between reality and fantasy blur an extraordinary hybrid Rey emerges in the first circle of paradise With his sharp eyes illuminated by the whiteness of infinite Pythagorean stars Rey is no ordinary being From the day he was born he had the ability to run and be independent but he cannot escape the past or the characteristics of his body Forced to face unimaginable challenges Rey and his siblings are sucked into a black hole that transports them to a completely unknown plane In this new world where the temperature is compatible with life but the landscape seems challenging Rey must quickly adapt to survive As he descends with the wind whistling in his ears Rey finds himself in an environment filled with melodies that embrace his senses Inside the fire an atmosphere of joy resonates with music laughter and applause but tranquility is fleeting Rey must face unknown threats and seek a safe place for himself and his siblings *Rimehollow* Leah Ross,2025-04-12 The Yuki and Akai have been at war for an entire generation Though a terrible toll has been paid in fighting battles of retribution and discrimination neither side wants to surrender No one will be free from suffering unless minds are changed and forgiveness is found Some are ready for

peace though and willing to fight for that instead They can only hope their voices will be heard Suddenly promoted to a role he feels unprepared to assume Kitaru now has to live up to his people s expectations as his village s mage protector He s been apprenticing for years but now he s without the guidance he s relied upon for so long and he s terrified of failing When a blizzard blows through the forest bringing with it an unexpected houseguest Kitaru thinks fate must be aligned against him He certainly didn t ask for anyone to obliterate his solitude and complicate his life But as he adapts to accommodate the needs of someone else he discovers that sometimes being alone can indeed be rather lonely Ryota s life is one vast empty hole of confusion ever since he suffered a head injury and lost his memory He doesn t know why he was wandering in the middle of the forest during a storm or how he ended up unconscious The only thing he s sure of is his name Well that and the fact that the home in which he awakens is warm comfortable and inhabited by a really cute mage It s frustrating that he doesn t know who he is beyond an obviously idiotic unprepared traveler and somehow a surprisingly good cook As he learns more about his kind and generous host Ryota wishes he could share more of himself as well But first he needs his memory to return and fill in the blanks As two lost souls find solace in each other they discover more than shared diversions and mutual attraction When the truth comes to light it brings the end of everything they thought they understood Unthinkable choices must be made which will alter the course of their lives Then it s up to them to decide if sacrifice is worth changing the world This work is intended for a mature audience and contains mature content For a more comprehensive list of content tags please see this book s information page at the author s website
