Administration Procedure Manual:

Nursing Administration Handbook Howard S. Rowland, Beatrice L. Rowland, 1997 With the recent new and radical developments in the health care field that have been introduced at a breathless pace nurse administrators must work to stay informed of the developments that affect their nursing departments both directly and indirectly The Nursing Administration Handbook has a long track record both as a textbook and as a hands on tool for nurse executives seeking insight and step by step guidance in all aspects of administration The fourth edition of this text surveys the entire field of nursing administration and incorporates the most significant new developments and current practices *Military Standard Contract Administration Procedures* United States.
