

THE AMC

Official Solutions

100 American Mathematics Competitions

2000-2001

AMC 10 A

Thursday, November 15, 2000

The official solutions provide correct answers to each problem in the AMC 10 A and are intended to help students understand the problems and to provide a clear and correct solution to each problem. These solutions are not intended to be the only solutions and are not necessarily the best solutions.

Students are encouraged to check solutions problems and discuss them with their teachers and other students. The problems should be solved in the order in which they are presented. Some problems may be solved in a different order. The solutions are presented in the order in which the problems are presented. The solutions are presented in the order in which the problems are presented.
