Adobe Premiere Elements 9 User Manual:

Photoshop Elements 9: The Missing Manual Barbara Brundage, 2010-09-23 Elements 9 offers much of Photoshop's power without the huge price tag. It's an ideal tool for most image editing buffs including scrapbookers, photographers and aspiring graphic artists. But Elements still doesn't come with a decent manual. This bestselling book will help you get the most out of the program from the basics to advanced tips for both Windows and Mac. Quickly learn your way around. Customize Elements to suit your working style. Get to work right away. Import, organize and make quick image fixes with ease. Retouch any image. Learn how to repair and restore your old and damaged photos. Add some pizzazz. Give images more zip with dozens of filters, frames and special effects. Find your creative flair. Create scrapbooks, greeting cards, photo books and more. Use advanced techniques. Work with layers, blend modes and other tools. Try out your new skills. Download practice images and try new tricks as you learn.

Adobe Premiere Elements 9 Classroom in a Book Adobe Creative Team, 2010-11-29 Adobe Premiere Elements 9 Classroom in a Book is the fastest, easiest, most comprehensive way to learn Adobe's consumer targeted video editing software. Each of the 13 chapters in this step-by-step project-based guide contains a project that builds on your growing knowledge of the program while end-of-chapter review questions reinforce each lesson. This new cross-platform Mac and Windows version of the book teaches the basics of video editing along with complete coverage of all new features in Premiere Elements 9, now with an enhanced workspace for increased efficiency and better user experience. In this new version, you'll learn how to import media from a variety of devices including mobile phones, embed your movie clips within web pages, use the new Cartoon effect to create cartoon-like movies from your live motion movie clips, add a variety of new audio effects, fix shaky footage and color and lighting problems with SmartFix, automatically remove unwanted footage with Smart Trim, add graphics that follow the action of your footage and much more. About the Authors: The Adobe Creative Team of designers, writers and editors has extensive real-world knowledge of Adobe products. They work closely with the Adobe product development teams and Adobe's Instructional Communications team to come up with creative, challenging and visually appealing projects to help both new and experienced users get up to speed quickly on Adobe software products. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this eBook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
