hustle to make career that is regulated by society most give up on their dreams and passions But for K Kohli writing was a
compulsion not a choice That s how passion manifests It s like the mountain course of the river that forces its way through
the roughest of the terrains Born in Delhi graduated from St Stephens College University of Delhi He is an inspirational
speaker who motivates young people to pursue careers in civil services and community development He continues to be an
exemplary figure demonstrating how individuals can make a profound impact on their communities through dedication hard
work and a deep sense of social responsibility The Civil Services have risen in social reckoning as a career due to its

significant role in bringing government's policies to the people and making development possible on ground like a rainmaker. Qualifying for the Civil Services is also considered as a mark of talent and success given that it requires passing through a multi-stage rigorous system of examination and interview. Apart from job security and satisfaction, the services provide ample opportunities and challenges to prove one's mettle and also to contribute and give back to society. In India, the Civil Service is defined as appointive positions by the Government in connection with the affairs of the Union and includes a civilian in a Defence Service except positions in the Indian Armed Forces. This exam is not for people who believe in shortcuts who are impatient and casual. It seeks such people who believe in rigorous study. Only the candidates who are thoroughly organised, disciplined, and determined can taste its success. Ultimately, the country needs officers equipped with these qualities. If those candidates who have a profusion of the aforesaid qualities get the right guidance, then they can definitely crack the IAS exam. This book has been prepared for such deserving and appropriate candidates. We are not just hopeful but have complete faith that this book will definitely work as a useful guidance in making the honest and strong-willed candidates as IAS.
