► ALIEN ENCOUNTER ◀

READ THE TEXT AND DO THE TASKS THAT FOLLOW:

One of the most detailed stories ever heard belonged to a 23 year old Brazilian farmer named Antonio Boas. In the night between the 15th and 16th October, 1957 he was driving his tractor when he saw a bright light heading towards him. He was caught by aliens coming from inside the UFO. The aliens were 1.5 meters tall and they were wearing grey suits. They had big helmets and pipes were coming out of them. The farmer was taken aboard and he was stripped naked while they took blood samples. He said that the aliens were trying to communicate with him with soft screams which were not very clear. After being left alone naked for about 30 minutes, his clothes were returned and the aliens showed him around the spaceship. He tried to steal a piece of equipment as proof but the aliens would not let him. When he left the spaceship, he realized that 4 hours had passed. Years later, people started questioning this story when they realized that Antonio Boas was more than a simple farmer; he was also a lawyer.

Alien Encounter Answer Key:

Alien Encounters Judy L. Clarke, 2011-06-21 Aliens first visited Judy Clarke in 1952 when she was just nine months old. Since then the visits have occurred approximately once every two years and though she does not recall every detail she does carry physical reminders and specific vivid memories. Fear is often associated with beings not of the human world but in this Clarke's experiences are very different. In *Alien Encounters: A Lifetime Deal* writer, counselor, healer, and nurse Judy L. Clarke reveals her enlightening lifelong relationship with aliens in exacting evidence-laden detail. She helps us to recognize the truth in our hearts and souls and see that there is nothing to fear. The powers that be in our world, steeped as they are in ignorance, aggression, and greed, are quick to react to the stories of abductees with laughter, ridicule, disbelief, and horror. By that measure, it is clear humans are not ready for the greater destiny shared by the many beings dwelling beyond earth in space and in the spiritual plane. But the aliens in our skies are patiently waiting for us, watching us, and yes, implanting a select few of us with special gifts to help us be better people. Gifts like kindness, healing, empathy, creativity, clairvoyance, clairaudience, telepathy, and closeness to the God within. Clarke's experiences, shown encounter by encounter and lesson by lesson, lead us to understand that if we open our eyes, hearts, and minds, light will shine in if we ask, we may indeed receive.
