 people the thought of getting into shape or just the act of exercising for that matter is like throwing a speeding locomotive
 into reverse An enormous amount of energy has to come to a loud grinding halt in a short period of time and then slowly
 begin to move in the opposite direction Getting into shape biologically is a relatively easy process the hard part more often
 than not is simply getting started Being physically fit takes commitment discipline concentration and an overall desire to
 succeed Making the commitment to physical fitness in many ways presents a greater challenge than the weights and workout
 routines that will follow and in the beginning many people make the mistake of training too hard and too fast causing
 soreness frustration and discouragement Walking blindly into a gym and grabbing a piece of equipment in the hopes that
 something will happen will never work To achieve your fitness goals you need to plan your work and work your plan Body
 Mechanics Beginner's Guide to Fitness helps you create that plan by helping you understand your body and the changes
 beginning an exercise program will play upon it Body Mechanics Beginner's Guide to Fitness covers the importance of
 making a commitment to exercise and what results you can expect in the first month How to keep up your motivation and
 develop a fitness program that is right for you Understanding the importance of weight training and cardiovascular training
 and how to get the maximum benefits of both Knowing the muscles in the human body and detailed instructions on
 performing different exercises to work each one employing proper form to achieve maximum results Changing one's lifestyle
 is never easy especially when food schedules and physical exertion are involved Body Mechanics Beginner's Guide to Fitness
 helps ease you into the world of physical fitness Taking your new exercise program one step at a time helps to condition your
 body to respond positively to the exciting changes that will come Study Guide for the Board of Certification, Inc., Athletic
