authors discuss these dynamics and reflect on society's adaptability. The first part of the book focuses on cryptocurrencies as disruptive technology. It discusses the status quo, future trends, and legal frameworks for virtual money. The second part of the book sheds light on value creation in a digitalized world. The authors discuss digital platforms and economic networks and the impact of digital dominance.

Inventory Management Mohamad Y. Jaber, 2009-08-11 As markets become more dynamic and competitive, companies must reconsider how they view inventory and make changes to their production and inventory systems. They must begin to think outside the classical box and develop a new paradigm of inventory management. Exploring the trend away from classical models based on economic order quantities to depe

Industrial Engineering: Innovative Networks Suresh P. Sethi, Marija Bogataj, Lorenzo Ros-McDonnell, 2012-01-03 The Spanish Conference of Industrial Engineering (Ingeniería de Organización Industrial CIO) is an annual meeting promoted by the Asociación para el Desarrollo de la Ingeniería de Organización Industrial Engineers Association (ADINGOR). The aim of CIO is to establish a forum for the open and free exchange of ideas, opinions, and academic experiences about research, technology transfer, or successful business experiences in the field of Industrial Engineering. The Scientific Committee is composed of 68 international referees, and we foresee the attendance of some 200 people from more than 15 countries, and following the rotation of venue and organization between various Spanish universities, the 2011 Conference will be the fifteenth National Conference and the fifth International Conference in Cartagena. During three days, the 2011 Conference will include the participation of European and other foreign countries' researchers and practitioners that will be presenting communications reproduced in this volume on a range of topics including Production and Operations Business Management, Supply Chain Management, Economic environment, Technological and Organizational Innovation and Management, and Innovation in Education. The Conference on Industrial Engineering CIO and its proceedings are an excellent platform for the dissemination of the outputs of the scientific projects developed in the frame of the European national or regional Research and Development plans.

Strategic Marketing Management - The Framework, 10th Edition Alexander Chernev, 2019-01-01 Strategic Marketing Management: The Framework outlines the essentials of marketing theory and offers a structured approach to identifying and solving marketing problems. This book presents a strategic framework to guide business decisions involving the development of new offerings and the management of existing products, services, and brands.

Techniques of Financial Analysis Erich A. Helfert, 2000 This best-selling practical guide for managers and students of business emphasizes the financial concepts and tools that are essential for making sound business decisions in order to create shareholder value. The book's major appeal for over 35 years, with 500,000 copies in print in 9 languages, has been its direct, concise, no-nonsense approach. The 10th millennium edition maintains the unique perspective that any business can be viewed as a dynamic, integrated system of cash flows which are activated by management decisions. The new edition is integrated with an advanced financial analysis and planning application, Financial Genome, which is available from www.modernsoft.com together with free templates.
