Bisignani, D., & Brizee, A. (2013, March 10). *Annotated bibliographies*. Retrieved from <https://owl.english.purdue.edu/owl/resource/614/01/>

These authors from Purdue University's Online Writing Lab present a brief definition of an annotated bibliography and a description of the important elements to include in one. They also provide many examples in various formats, each with detailed explanations. This is a good reference for how to develop an "annotation" for any researcher. (Please note: It is not standard APA procedure to include the month and day of publication; however, because this site is continually updated, March 10, 2013, indicates the last date the information was edited.)

Eckstein, D. (2011). Reflections on an 18-year adventure writing for "For Couples" *Family Journal* column: An annotated bibliography. *The Family Journal: Counseling and Therapy for Couples and Families*, 19(2), 204-211. doi:10.1177/1066480711400568

This article illustrates how annotated bibliographies can be used in academic journals. Because it is a longer bibliography, the author chose to organize the references thematically, using subheadings to separate the different subjects covered in the references. All references are set in APA format, making this article a nice example of an annotated bibliography in APA.
