Are You Lost Or Found Recognizing The Wake Up Call:

Are You Lost or Found? SYLVESTER FADAL, 2008-08-14 For almost 10 years I spoke to captivated students and professionals about the Lost or Found analogy that covers critical everyday life changing issues on leadership relationship management and the complexities of dealing with change personal growth and self restoration One of the commonality of concerns raised by those surveyed for this book was why most employees joined their corporations with a high sense of commitment enthusiasm and satisfaction and over time lost their motivation and focus and literarily functioned as non inspired employees driven solely by financial needs and or dependence Over the years I observed how some of these professionals took on increasing levels of stress and anxiety over problems they couldnt control To assist with strategies of addressing stress and change I began to discuss a concept known as peaceful anxiety Peaceful Anxiety simply means If you do not have the ability to change events and situations that impact your life do not overreact to such situations As we develop the ability to control our reactions to problems or issues outside our realms of control we begin to develop a higher sense of peace In 2002 a set of questions were developed and over 1500 undergraduate and graduate students with professional careers ranging from mid to executive levels were surveyed My overall findings lead to this book being titled *Are You Lost or Found Ever Wondered The percentages of women who prefer male bosses The percentages of men who prefer female bosses Why 62% of professionals are Lost If you are Lost or Found* navigating life's lost and found Michael Hallmann, It wasn't supposed to be this way Life was supposed to be the nice home good job the white picket fence The American dream But somewhere along the line something went wrong drastically wrong The career that guaranteed the good life fell short The idyllic marriage that started out full of love hope and anticipation gradually fizzled out Your 401 k is now a 201 k The dream home is under water The pension that you counted on got cut The money that you set aside for your kid's college was supposed to grow not shrink What happened We followed the path that was so deftly portrayed as full of promise and allure but it has fallen far short of what we believed it would be In *Navigating Life's Lost and Found* you will learn Which path you are heading down The American Dream is possible as long as you follow the right path How to eliminate worry from your life The difference between a follower and a believer To live a life of fulfillment and abundance If the path that you're on has left you wondering Is this what life is meant to be let this book lead you to the path of the life you were born to live **How to Get Rich on Purpose :Secrets to Prosperity and Controlling Your Destiny** DeWayne Owens, 2002 **Lost and Found** Jemma Macera, 2014 Jemma Macera is a poet author and social activist living in Ithaca New York Her story reflects a first half of life with challenges that contributed to physical and emotional pain and resulting symptoms of dementia in the second half of her life Living in Ithaca provided her with ample alternative therapists and a supportive community that enabled her to find a healing path Jemma attributes her high level of functionality to following the shaman's journey to wellness through singing dancing and storytelling as well as to the generosity of many friends and healers Her journey to wellness is the result

of trusting the superior wisdom of the body and the unconscious mind over a disabled brain Jemma lives with her life partner Walter in her family home and continues to enjoy square dancing music and singing with friends Lost and Found Along The Way: Stories for Your Faith Walk from the Camino de Santiago Ron "Willie" Williams, 2021-09-06 The Camino or The Way to Santiago is a five hundred mile thirty three day walk across Spain s extreme conditions to reach the beloved Cathedral of Santiago Ron Willie Williams walked The Way two and a half times a total of twelve hundred miles Why It is less about what he gains and more about what he loses along The Way old behaviors unforgiveness and a tendency to play God Journey with Willie through the chapters of Lost and Found Along The Way as he sheds these tendencies and in doing so finds a renewed richer and deeper faith The first few chapters are narrative historical fiction portraying James in Acts 12 2 facing his execution along with supposed reactions from his loved ones At the end of this narrative we transition back to nonfiction with the discovery of James gravesite some eight hundred years after his martyrdom Willie then explains how the Camino pilgrimages began along the Camino also known as The Way No other nonfiction book offers such a unique back story of Saint James and the Camino The following chapters and the bulk of the book follow Willie s own Camino journeys present vivid descriptions of the geography on the trail and historical background provide readers with a nearly firsthand experience of The Camino de Santiago True and dramatic faith walk stories demonstrate God s hand in people s lives and guide readers to dig deeper into their own spiritual life and get outside their comfort zone The final chapter of Lost and Found Along The Way instructs fellow sojourners in how to follow Willie s example to strengthen their own faith and share it with those who have lost their own faith no hiking boots required Key West Lost and Found Robert Haines, 2022-03-23 Here s a mystery that pushes all the right buttons dead bodies drug deals dames in distress a take no guff police lieutenant out to save the day all taking place on that nowhere left to go destination Key West Byron Rupert McCafferty Online Critics Corner Key West April 1966 What does missing mob money from the fall of Havana have to do with the death of old family friend and fishing guide Sam Torres Is restaurateur and reputed mobster Sal Donatello really the friend he claims to be or is he chasing his own agenda And what has driven local newspaper editor Andy Hardy over the edge to threaten reporter Amy Petersen Can Key West Police Lieutenant Tom Jackson keep her safe without jeopardizing their budding romance Before the drug filled craziness of the 70 s and 80 s things were already getting warm at the end of the road and it wasn t just the temperature
