[America's War in Syria](#) Till Paasche,John Foxx,2022-05-19 This insider assessment of American military involvement in

Syria offers a fascinating and down to earth look at the war against ISIS Military Heritage Magazine The US military campaign in alliance with Kurdish forces in Syria remains a rare success story in the age of the War on Terror Considering the military victory the civilian government that followed the fighting the light military footprint and the strong link to Kurdish partners the intervention against ISIS in Syria is widely regarded as the nation s most successful campaign since World War II In this volume three authors who participated directly in the conflict offer a rare ground level view of how it turned into a just war Between the three of them they participated in all the large Kurdish operations against the Islamic State between late 2014 and mid 2016 They endured muddy archaic trench warfare witnessed the first waves of decisive US and British airstrikes against ISIS and experienced the impact America had on the battlefield Later when American British and French Special Forces were deployed at the front lines the authors worked closely with those teams evacuating hundreds of wounded from the battlefield together Based on their unique insights they analyses America s war in Syria identifying its distinct phases from the secretive build up to the ultimate destruction of the ISIS Caliphate Everyday Politics in the Libyan Arab Jamahiriya Matteo Capasso,2023-01-25 Treating the everyday as central to the study of regional and international politics this book reconstructs the last two decades of the Libyan Arab Jamahiriya leading up to the 2011 events that sanctioned its fall It provides a unique and vivid look into the political dynamics that characterized the everyday lives of Libyans offering a compelling counterargument to those who insist on framing the history of the country as a stateless authoritarian and rogue state Based on the collection of oral histories what sets the tempo of this journey is an extensive collection of personal anecdotes moods and emotions popular jokes and rumors In weaving the threads that link these quotidian lives to Libya s interaction with wider international and geopolitical dynamics the book offers a unique and timely analysis of the 2011 events that witnessed the fall of the regime reaching the current state of violence war and hope **Old Age, Gender, Social Security in Africa and Europe** Henry Kam Kah,Bea Lundt, In the Decade of Healthy Ageing UN WHO this collection of essays contains interdisciplinary contributions by authors from African and European cultures who address questions about the situation of old people in the past and present comparing the situation of men and women and focussing on their protection and care within society While at first glance it appears that the phenomena in the young African countries are completely different from those in European countries there is a certain convergence between the continents The challenges of migration globalisation and the climate crisis are triggering social transformation processes that are weakening older traditions The focus is on the dissolution of the extended family and the associated loss of the stabilising function within the framework of the so called intergenerational contract This development triggers crises However new models for organising old age are also developing Old people are finding new ways to organise their lives **Migration, Crisis and Temporality at the Zimbabwe-South Africa Border** Kudakwashe Vanyoro,2024-02-29 Only 15 kilometres away from the border of Zimbabwe Musina is an obscure town in South Africa that the media cast into the public eye in the wake of the

2008 Zimbabwean economic crisis Taking as its starting point the arrival of thousands of displaced Zimbabwean migrants at Musina this book presents valuable new perspectives on the temporality of migration and the governance of immobilities The author explores the role of humanitarian actors in supporting migrants and examines the outcomes of government led activities in the longer term This is an insightful assessment of how state and non state practices intertwine in the management of largely immobile people and of the importance of time in understanding African migration and borders
