CBSE Class XI - Accountancy: A Complete Preparation Book For Class XI Accountancy | Topic Wise EduGorilla Prep Experts,2022-09-15 *Communication in Accounting Education* Richard M.S. Wilson,F. Elizabeth Gray,Lynn Hamilton,2016-04-14 Accounting often described as the language of business requires a diverse set of written listening and oral communication skills if those who practise it are to be effective Given the pace of change relating to for example the evolution of international accounting standards and the demands for greater transparency accountants must be clear responsive and audience focussed communicators Employers of accountants consistently comment on the need for their new graduate recruits and trainees to have strong written oral and interpersonal communication skills In this light accounting educators face the challenge of designing and delivering programmes that reflect professional expectations on the part of employers and clients and educating students on how to make informed communication choices in order to achieve desired results and to build good working relationships The chapters in this book deal with such topics as accounting students perceptions of oral communication skills competence based writing skills and the development of listening skills This book was originally published as Accounting Education an international journal **Taiwan and The 'China Impact'** Gunter

Schubert,2015-12-14 There can be no doubt that China's economic and political rise is having a stronger effect on Taiwan than on any other country given the Chinese government's claim to sovereignty over Taiwan and Taiwan's quest to maintain its democratic achievements and political identity as a sovereign state Against this background this volume deals with the bigger picture of evolving relations across the Taiwan Strait departing from the observation that China's impact on Taiwan has become stronger over the last 20 years This book analyses the China impact on Taiwan in terms of its social political and security space from both an empirical and conceptual point of view It is the first comprehensive account of China's multifaceted impact on the politics and society of contemporary Taiwan written by renowned scholars from Taiwan Europe and the U S The book covers a wide range of topics including Taiwan's party alignment elections generational politics cross strait political economy immigration policy and security The contributors political scientists and sociologists highlight both the dangers and the opportunities of the China impact for Taiwan and draw a realistic picture of the island republic's current situation and future options in the shadow of its giant neighbour Based on qualitative and quantitative data this volume intends to fill a gap in the Taiwan studies field by studying the China impact on Taiwan's politics and society systematically and from a comparative perspective By doing so it will be of great interest to students and scholars of Taiwan studies and East Asian politics and society more generally
