Managing Pharmacy Practice Andrew M. Peterson, William N. Kelly, 2004-03-29 The world of pharmacy management is
changing rapidly Reflecting this Managing Pharmacy Practice Principles Strategies and Systems takes a new approach to
pharmacy management The editor explores basic management principles and their role in pharmacy practice Expert
contributors discuss concepts such as social influence professionalism leadership DICP, 1990 *Handbook for Pharmacy
Educators* Shane Desselle, Dana P Hammer, 2002-08-22 What can senior pharmacy faculty do to help their junior colleagues
succeed The *Handbook for Pharmacy Educators Getting Adjusted as a New Pharmacy Faculty Member* gives voice to junior
pharmacy faculty members who present their personal accounts of their experiences on the job These six junior faculty
representing the basic administrative and clinical sciences share their lessons learned give advice on what to do and what
NOT to do as a new faculty member and relate the triumphs and challenges they met along the way For balance a senior
faculty member with experience in both teaching and research environments shares his thoughts on what the other authors
have to say From the editors Despite the existence of a couple of excellent references in this area there has not been any
previous work that takes this approach that is of allowing junior faculty representing both teaching and research institutions
to share memoirs of their own unique experiences We hope that this approach will ease the way for new faculty members and
provide senior faculty deans and administrators who are long removed from new faculty status a better understanding of the
hurdles that new faculty must clear today In gaining this understanding they may become even better advisors mentors and
administrators The *Handbook for Pharmacy Educators Getting Adjusted as a New Pharmacy Faculty Member* will help new
faculty address the questions that start with how like How can I be sure to start my teaching out on the right foot figure out
which teaching strategies are most appropriate establish and develop good rapport with my students begin to establish
mutually beneficial relationships with my colleagues socialize and make new friends in my new environment gain support for
my research agenda learn what resources are available to me find out about performance appraisals and rewards handle or
appreciate the extra pressures facing faculty who don't happen to be white males **Pharmacotherapy**, 1996
