

ACCT 310 SEC10K Project Instructions:

UMGC's accounting department curriculum requires an SEC 10-K Report Project in multiple courses from introductory to advanced-level classes, including:

- ACCT 220: Principles of Accounting I / ACCT 221: Principles of Accounting II
- **ACCT 310: Intermediate Accounting I / ACCT 311: Intermediate Accounting II**
- ACCT 321: Cost Accounting
- ACCT 422: Auditing
- ACCT 424: Advanced Accounting / ACCT 425: International Accounting

In each course, you will examine different companies focusing on related-course content. This allows you to build your knowledge of accounting and industries.

The UMGc Principles of Accounting I & II courses introduced you to specific components of an SEC 10-K Report as bases for fundamental financial ratio analyses and interpretation of results for a selected corporation. In the more advanced accounting courses, including Intermediate Accounting I & II, you will delve deeper into analyzing financial statements, schedules, and notes to gain a more in-depth understanding of a corporation through its SEC 10-K filing.

The SEC 10-K assignment will consist of research to write a report on an annual SEC 10-K report filed by a public company with the U.S. Securities and Exchange Commission (SEC). The focus of this assignment is on the financial statements as a whole and the concepts related to the topics covered in this course. You will conduct research to select a public company of your choice from the list of companies included in the Fortune 500 then locate its most recent SEC 10-K report for your project. As part of this project, you will participate each week in the discussions specifically designed to apply concepts and research the SEC10K. There are two deliverables: (1) SEC 10-K Report, and (2) SEC 10-K Power Point presentation based on your report. Grading will be per Rubric in Leo. It is recommended that you review the rubric to maximize your earned grade.

Many students benefit from the use of the UMGc Effective Writing Center. (access from Academic Support in the classroom horizontal menu bar).
