Huber, Ben H. Sheppard, 2014-09-01 For decades the AAA Yearbook on Arbitration the Law has served as an outstanding source of guidance on legal developments in the field of Alternative Dispute Resolution In light of that history the subject matter covered by this 26th edition is remarkable in the extent that it reflects continued and significant breadth in terms of the ADR issues explored The continued expansion in the use of ADR for increasingly diverse types of disputes has raised important legal and policy questions the magnitude of which is perhaps most clearly illustrated by the number of arbitration related cases the Supreme Court of the United States takes up for review Those matters are considered here as are other contemporary ADR related developments such as class action arbitrations and the enforceability of class action waivers At

the same time the AAA Yearbook details cases that address what are historically some of the most frequently litigated and recurring issues For example courts are commonly presented with arbitrability disputes the related issue of the allocation of authority among arbitrators and the courts and questions regarding preemption of the Federal Arbitration Act over a state s arbitration law Despite decades of court decisions addressing those matters courts continue to address still evolving theories and differing fact patterns that can provide further direction and evolution in the law The thorough coverage in the AAA Yearbook of these matters in addition to many others will serve as a valuable source of information to practitioners academics arbitrators and those with an interest in ADR

Kentucky Speedway Kevin Kelly,2015 The history of Kentucky Speedway is as colorful as the flags waved from its flag stand and the cars that dart around its 1.5 mile track The path to its position on NASCAR s Sprint Cup Series schedule included more twists and turns than the roads leading to Sparta Kentucky Ultimately it took Speedway Motorsports Inc buying the track from its founders in 2008 for developer Jerry Carroll s vision to be realized 3 years later when the venue hosted its inaugural Quaker State 400 It is all part of the history of a speedway that brought a major league sport to the Bluegrass State
