Thank you for working with us to shape a positive start to the academic year. The transition for pupils into this new academic year, and creativity for personalised learning across every class, is through the partnership with families. We are so proud of the personal development and progress of the pupils across this half term through the curriculum themes.

Artist in Residence - Oily Cart

We were so excited to host the multi-sensory theatre group at the school for a creative arts takeover. Oily Cart have come in residence over a few years now, and this year's week long residence brought 'When the World Turns' to Swiss Cottage School. Our drama studio was transformed to a jungle. The Oily Cart team immersive experience made the pupils the part of an ecosystem surrounded by live plants, music, scents, sounds, and shadows. They experienced and discovered how they can feel the world turn as they connect with nature and one another.

Hullabaloo Theatre

We also hosted performances at school from the incredible Hullabaloo team. They brought classes a sensory adventure with the shape shifting character 'toooB'. Classes explored performance of discovery and friendship, through an incredible piece of original music. We are thrilled to develop these partnerships so that creative experts can base their productions at our school.

Camden Cycle Training Team

The specialist team from Camden worked with pupils that were ready for their independent skills with cycling. The pupils completed cycle training and road safety skills in the local community. It is great to have the specialists from Camden join us at the school to support these important skills with their expertise.

Harvest Festival

Classes explored seasonal topics this half term. This included a Harvest Festival to understand nature through peer learning activities across classes.
