Amazing Mazes for Kids Steve Miller,Becky Miller,1998-07-01 If you love to explore you ll enjoy searching your way through these mazes These mazes are not ordinary at all They ll take you to some pretty incredible places You ll find yourself walking with the animals into Noah s Ark fishing with Peter to find the fish with the coin and flying with the ravens who feed Elijah Along the way you ll learn about the many fascinating people and places in the Bible including Jesus Moses Paul Jerusalem Bethlehem and many more In *Amazing Mazes for Kids* each maze is a new adventure All are perfect for fun at home Sunday school church activity nights and trips But watch out once you get started you won t want to stop *The Ten Commandments* Michael Coogan,2019-06-18 Are the Commandments really written in stone A biblical scholar offers an engrossing and enlightening guide to one of the world s great legal codes Booklist In this lively provocative book Michael Coogan takes us into the ancient past to examine the Ten Commandments also known as the Decalogue How among all the laws reportedly given on Mount Sinai did the Ten Commandments become the Ten Commandments When did that happen There are several versions of the Decalogue in the Old Testament so how have different groups determined which is the most authoritative Why were different versions created Coogan discusses the meanings the Ten Commandments had for audiences in biblical times and observes that the form of the ten proscriptions and prohibitions was not fixed as one would expect since they were purported to have come directly from God nor were the Commandments always strictly observed In later times as well Jews and especially Christians ignored and even rejected some of the prohibitions although the New Testament clearly acknowledges the special status of the Ten Commandments Today it is plain that some of the values enshrined in the Decalogue are no longer defensible such as the ownership of slaves and the labeling of women as men s property Yet in line with biblical precedents the author concludes that while a literal observance of the Ten Commandments is misguided some of

their underlying ideals remain valid in a modern context
