Swindoll, 2018-06-05 The four short letters of 1 3 John and Jude deliver powerful messages of correct living in a wrong world and are as relevant today as they were in the first century Written near the end of the John's life 1 John was meant to revive the faith love and hope of his readers and encourage them to renew an authentic contagious walk with Christ Like two siblings 2 and 3 John are letters with unique personalities but also some striking similarities each taking a unique approach to a single urgent message balance unconditional love with discerning truth Jude the brother of Jesus writes with a twofold purpose expose the false teachers that had infiltrated the Christian community and encourage the believers to stand firm in the faith and fight for it The 15 volume Swindoll's Living Insights New Testament Commentary series draws on Gold Medallion Award winner Chuck Swindoll's 50 years of experience in studying and preaching God's Word His deep insight signature easygoing style and humor bring a warmth and practical accessibility not often found in commentaries Each volume combines verse by verse commentary charts maps photos key terms and background articles with practical application The newly updated volumes now include parallel presentations of the NLT and NASB before each section This series is a must have for pastors teachers and anyone else who is seeking a deeply practical resource for exploring God's Word 1, 2, and 3 John Mavis M. Leung, 2025-08-21 This commentary approaches 1 2 and 3 John as social discourses and seeks to provide insights into the use of language in these epistles within their situational contexts The method of discourse analysis employed to analyze the texts and linguistic characteristics in 1 3 John is based on the model of systemic functional linguistics proposed by Michael A K Halliday The interpretative task of this commentary is to analyze the ways in which the author draws on the vast resources of language to convey his ideas to the

audience and accomplish his purposes Despite the adoption of systemic functional linguistics the use of jargon is avoided in the interpretation of the Johannine Epistles and the commentary does not demand from the reader a mastery of this discourse analysis method The insights offered will help open up the text of 1 3 John in a fresh way Interpreting the General Letters Herbert W. Bateman IV, 2014-11-07 This handbook is designed as a step by step approach for analyzing and communicating eight letters of the New Testament Hebrews James the Petrine Letters the Johannine Letters and Jude Interpreting the General Letters provides important background material for the interpretation of these books by exploring the types and component parts of letter writing the importance of an amanuensis the historical background of the Greco Roman world and implications of each of these factors for interpreting the general letters This foundation is followed by a discussion of the theology of the general letters Specific consideration is given to the era of promise in Hebrew Scriptures the era of fulfillment as underscored in the general letters and how the theology of each letter contributes to the overall canon of Scripture Finally Bateman provides nine steps that move from interpretation to communication three steps for preparing to interpret the letters three for interpreting and finally three for communicating the letters All explanations include examples in order to develop a student's or pastor's skills for accurate interpretation and convicting communication of God's Word See page 21 for full series details

Sacra Pagina: 1, 2, and 3 John John Painter, 2016-03-16 The Johannine Epistles are today read as an important part of the Johannine literature Yet the meaning of the text is often unclear Part of the problem arises because although 1 John is called an Epistle it lacks the formal marks of an Epistle In 1 2 and 3 John John Painter illuminates the relationship 1 2 and 3 John have to each other and to the Gospel Painter explains the historical context of the Johannine Epistles using a socio rhetorical approach The writings are shown to reflect a situation of conflict and schism within the Johannine community they seek to persuade the readers of the truth of the writer's message In this truth the readers are encouraged to abide if they would have the assurance of eternal life Painter also examines the inseparable connection between belief and ethical life in active love for one another Through the socio rhetorical approach Painter brings to light the continuing relevance of these writings 1 2 and 3 John is divided into two parts Chapters under 1 John are Introduction to the Exegesis of 1 John Outline of 1 John First Presentation of the Two Tests 1 6 2 27 Excursus Sin and Sinlessness Excursus Love of the Brother Sister of One Another Excursus The Antichrist Second Presentation of the Two Tests 2 28 4 6 Third Presentation of the Two Tests 4 7 5 12 Conclusion 5 13 21 and Excursus A Sin Unto Death Chapters under 2 and 3 John are 2 John Introduction to the Exegesis of 2 John Outline of 2 John Prescript 2 John 1 3 Body of the Letter 4 11 Notice of Intention to Visit 12 and Final Greetings 13 3 John Introduction to the Exegesis of 3 John Outline of 3 John Prescript 3 John 1 2 Body of Letter 3 12 and Final Greetings 13 15 John Painter is the Foundation Professor of Theology at Charles Sturt University in Canberra Australia
