of its technological and narrative possibilities exploring SFTV from its roots in the pulp magazines and radio serials of the 1930s all the way up to the present From formative series like Captain Video to contemporary cutting edge shows like Firefly and long lived popular revivals such as Doctor Who and Star Trek Telotte insightfully tracks the history and growth of this crucial genre along with its dedicated fandom and special venues such as the Syfy Channel In addition each chapter features an in depth exploration of a range of key historical and contemporary series including Captain Video and His Video Rangers The Twilight Zone Battlestar Galactica Farscape Fringe Incorporating a comprehensive videography discussion questions and a detailed bibliography for additional reading J P Telotte has created a concise yet thought provoking guide to SFTV a book that will appeal not only to dedicated science fiction fans but to students of popular culture and media as well Focus On:

100 Most Popular Television Shows Set in New York City Wikipedia contributors, **The Believer** Ralph Blumenthal, 2021-03-15 The Believer is the weird and chilling true story of Dr John Mack This eminent Harvard psychiatrist and Pulitzer Prize winning biographer risked his career to investigate the phenomenon of human encounters with aliens and to give credibility to the stupefying tales shared by people who were utterly convinced they had happened Nothing in Mack s four decades of psychiatry had prepared him for the otherworldly accounts of a cross section of humanity including young children who reported being taken against their wills by alien beings Over the course of his career his interest in alien abduction grew from curiosity to wonder ultimately developing into a limitless unwavering passion Based on exclusive access to Mack s archives journals and psychiatric notes and interviews with his family and closest associates The Believer reveals the life and work of a man who explored the deepest of scientific conundrums and further leads us to the hidden dimensions and alternate realities that captivated Mack until the end of his life **Liquid Metal** Sean Redmond, 2004 This reader brings together a great number of what are regarded to be the seminal essays that have opened up the study of science fiction to serious critical interrogation It includes key essays by writers such as J P Telotte Susan Sontag and Peter Biskind

The Complete Directory to Prime Time Network TV Shows, 1946-present Tim Brooks, Earle Marsh, 1988 This is the must have book for TV viewers in the new millennium the entire history of prime time programs in one volume It s a guide you ll turn to again and again for information on every series ever telecast There are entries for all the great shows from evergreens like I Love Lucy The Honeymooners and Happy Days to modern classics like Will all the gripping sci fi series from Captain Video and The X Files to all versions of Star trek the popular serials from Peyton Place to Dallas to Dawson s Creek and the runaway hits on cable including CNN The Real World The Osbournes and SpongeBob SquarePants This comprehensive guide lists every program alphabetically and includes a complete broadcast history cast and engaging plot summary along with behind the scenes stories about the shows and the stars **BOOK JACKET** *Making Faces, Playing God* Thomas Morawetz, 2013-04-01 Wearing a mask putting on another face embodies a fundamental human fantasy of inhabiting other bodies and experiencing other lives In this extensively illustrated book Thomas Morawetz explores how the creation of

transformational makeup for theatre movies and television fulfills this fantasy of self transformation and satisfies the human desire to become the other Morawetz begins by discussing the cultural role of fantasies of transformation and what these fantasies reveal about questions of personal identity He next turns to professional makeup artists and describes their background training careers and especially the techniques they use to create their art Then with numerous before during and after photos of transformational makeups from popular and little known shows and movies ads and artist s demos and portfolios he reveals the art and imagination that go into six kinds of mask making representing demons depicting aliens inventing disguises transforming actors into different older heavier disfigured versions of themselves and creating historical or mythological characters

Red Dwarf: Discovering the TV Series Tom Salinsky, 2024-11-30 Explores the unique journey of the long running British sitcom detailing its creation cast changes and enduring legacy through critical analysis and behind the scenes insights Red Dwarf is virtually unique among British sitcoms It began in 1988 and was still releasing new episodes in 2020 making it one of the longest running sitcoms of all time but the core cast has remained largely unchanged And its science fiction flavor contrasts strongly with the drawing rooms and sofas which were the norm when it launched and the fast cut mockumentary style which is popular today And yet this is a show which nobody wanted to make and which only barely made it to our screens at all In this work Tom Salinsky will look at exactly how it came to be who was considered for the cast but didn t make it how it was radically reinvented for the third sixth seventh ninth and tenth seasons how it survived the breakup of its key creative partnership the loss of the original spaceship models BBC strikes the departure of a major cast member and the seemingly self defeating rules which the writers imposed on themselves But this isn t just a behind the scenes account It s also a detailed critical analysis examining why the best episodes succeed and why the less impressive episodes struggle while also finding time to ask just how a hologram made of light can smell burning camphor wood why a creature evolved from a cat is familiar with Wilma Flintstone or just how long Lister and Kochanski were dating for How can all this possibly be contained in one book It can t Volume I will cover the first six series and Volume II will conclude the story of Red Dwarf on television as well as looking at the novels comic strips computer games and more
