Burroughs. Jr., 2006-08-23 Being the son of counter culture author William S Burroughs is bound to be a trial After all the man who frequented lesbian dives and had a fascination with firearms couldn t possibly make that great of a father Perhaps inevitably William Jr called Billy referred to himself as cursed from birth and in the book of the same name editor David Ohle collects parts of Billy s third and unfinished novel Prakriti Junction his last journals and poems and correspondence and conversations to recreate this tortured life Endowed with the sufferings but not the patience of Job Billy s life was often characterized by tragedy and frustration although there were also pockets of success and levity More than just the memoir of a casualty of the Beat Generation *Cursed From Birth* provides rare insight in Billy s father as well as his scene friends and times It also provides an all too familiar story of familial difficulties that anyone with difficult parents can understand and appreciate Janice M. Van Dyck, 2006-10-01 *THE O MALLEY TRILOGY* Every daughter lives a trilogy her own story intertwined with her mother s and her grandmother s Like every woman twenty two year old Eve Roberts is afraid she ll grow up to be her mother She wants to be better But after her boyfriend dumps her independent Eve returns home for advice and comfort Amy her mother wants to help but is limited by her abilities unevenly strengthened by her adversities and still healing from a bad divorce The two women spend a weekend together on a Florida beach in brisk humorous and sometimes painful dialogue about the family s history and how it has defined the choices they have made They uncover patterns and experiences handed down from generation to generation irrevocably changing the course of each daughter s life Amy considers her passage from daughter to mother from young to old from beautiful to aging The past becomes clear the future is hard to see On the same beach young Eve begins to see her life as full of possibilities if she can stand on her own Both women know that they must somehow separate from the past without letting go of each other if they are to be the women they aspire to be Alternating chapters in a narrative voice between Eve and Amy this powerful story reverberates with the memories of the mother daughter relationships of both women as they struggle to understand their relationship and reaffirm their love *Looking on Darkness* Diana Laurence, 2009-04 A British psychologist with a mysterious past and strange powers A former monk with the voice of an angel and untamable vanity A jazz performer who derives her confidence from a
