Sex and the Kingdom Kenneth M. Yelverton, 2013-01-22 Look what people are saying about Sex and the Kingdom It is with much enthusiasm that I endorse and recommend Sex and the Kingdom as a book needed to bring a healthy understanding of human sexuality in an hour that is increasingly carnal Godless decadent and immoral Bishop Yelverton lays out for us a Godly perspective of sexuality which indeed is a subject that many churches and individuals within the Body of Christ will not approach In this book he has remained true to his Pentecostal Holiness roots as well as his theological training It is a must read for all students and scholars who are serious about the Word of God and the future of the Lord's Church Indeed it appears that we are losing the battle for what is moral and decent and these kinds of writings are necessary for us to indeed hold the banner high for holiness and that the Bible is still our rule of faith and practice Bishop Donald Hilliard Jr D Min The Cathedral International Perth Amboy New Jersey Much debate is taking place in sanctuaries across the nation about same sex marriages and

a time where pop culture media and entertainment have been given precedence in establishing the mores of our culture With this thought in mind Dating Dress Rehearsal For Divorce takes a closer look at one of these aspects dating The idea behind a dress rehearsal is to practice and perfect what will be done once the cameras are rolling It is to prepare in advance for the real production and how you practice is likely how you will perform However in the real life drama of marriage when the cameras are gone make up is removed and the lights are off two people are left to actually deal with real life love and circumstances The stage of life and marriage is more than a mere production again like a dress rehearsal how you practice it is likely how you will perform live it If two are not properly prepared or familiar with how each one will play their role the results may be something less than an encore performance Through the years we have seen many scenarios when doing pastoral pre marriage and marriage counseling Therefore we desire to encourage you with practical wisdom to prepare and lay a foundation for the role you want to play in life We invite you on a journey that is both challenging and rewarding by comparing traditional dating verses courting and taking a closer look at where love and intimacy find their place in the middle of it all By taking a closer look at the prepackaged paradigm of dating you decide how your story will play out
