CakeLove Warren Brown, 2012-05-18 Conquer your fear of flour with a cookbook that takes the intimidation factor out of baking with easy to follow recipes Publishers Weekly Warren Brown the founder of CakeLove bakeries wants you to bake your cake and eat it too and even better enjoy the moment in which you present your made from scratch masterpiece to bedazzled hungry eyed family and friends For Brown love and baking are inseparable After all he abandoned his unfulfilling career in law to do the work he finds truly emotionally satisfying Every page of CakeLove communicates that satisfaction as well as Brown s can do approach to the art of baking As he points out baking cakes isn t a cakewalk but it s not rocket science either and getting it right isn t nearly as hard as you think With an entertaining style Publisher Weekly gentle guidance and clear information on ingredients equipment and techniques CakeLove teaches you how to make pound cakes butter cakes sponge cakes cupcakes glazes frostings fillings meringues and more **Baking Naturally** Michael

Kachadoorian, 2014-07-24 This book of forty recipes is short on content by design It is designed to be easy and accessible and inspire home bakers and aspiring chefs to create organic chemical free baked goods that are absolutely delicious truly satisfying and 100% natural Following my belief that you don t have to take sugar and fats out of the equation to make recipes healthier the recipes in Baking Naturally deliver high quality baked goods with exceptional taste I do not resort to gimmicks or overly complicated methods to achieve great results I do not espouse fads Baking Naturally is not a book about low fat baking or diet baking It s a book about getting back to the basics of baking It s about using all natural organic products to produce exceptional baked goods that are innately more wholesome and more nutritious I focus on introducing readers to ingredients they may not have heard of and reintroducing them to ingredients they may have forgotten about Most cookbooks in my opinion are overwhelming to the reader with hundreds of recipes that even the most committed person will not take the time to make I decided to keep the book short so that you can buy some ingredients and use them efficiently make all of the recipes and get back into your kitchen baking naturally for you and your family **Ultimate Cake Guide:**
