Hall Anna Maria Hall, *The Sportsman's pilot and betting house guide, ed. by Iron-mask* Iron-mask (pseud),1850 **Bunny Lake Is Missing** Evelyn Piper,2012-10-01 The classic novel of suspense is a headlong story of nerve wracking tension psychological validity and emotional drive Oakland Tribune Blanche Lake is not like the other mothers who come to collect their children at the local nursery school on New York s Upper East Side She lives alone has a job and has never been married It s the first day of school when this story begins and Blanche is eager to see how her daughter Bunny has fared away from home But her expectant waiting becomes a mother s most dreaded nightmare Bunny never materializes Neither teachers nor students recall the small girl and soon Blanche is engaged in a frantic search for any trace of her missing daughter And the worst part is no one believes her In this fraught and at times freakish tale of suspense Evelyn Piper takes us deep into the psyche of the 1950s to explore American fetishes fallacies and fears around motherhood and sexuality Blanche emerges as a new kind of heroine a hard boiled mom with gun in hand willing to take any risk to find her missing daughter A classic thriller a riveting revisit to the dark side of the fifties where the tension beneath the calm surface has an undertow that drags the reader into its grip Prime pulp pure pleasure Linda Fairstein author of *The Bone Vault* Alabama Getaway Allen Tullos,2011 In *Alabama Getaway* Allen Tullos explores the recent history of one of the nation s most conservative states to reveal its political imaginary the public shape of power popular imagery and individual opportunity From Alabama s largely ineffectual politicians to its miserly support of education health care cultural institutions and social services Tullos examines why the state appears to be stuck in repetitive loops of uneven development and debilitating habits of judgment The state remains tied to fundamentalisms of religion race gender winner take all economics and militarism enforced by punitive and defensive responses to criticism Tullos traces the spectral legacy of George Wallace ponders the roots of anti egalitarian political institutions and tax structures and challenges Birmingham native Condoleezza Rice s use of the civil rights struggle to justify the war in Iraq He also gives due coverage to the state s black citizens who with a minority of whites have sustained a movement for social justice and democratic inclusion As Alabama competes for cultural tourism and global industries like auto manufacturing and biomedical research Alabama

fairies but that they clamour for more What disappointment then to receive a volume full of adventures which actually happened to real people There is not a dragon in the collection nor even a giant witches here play no part and almost all the characters are grown up On the other hand if we have no fairies we have princes in plenty and a sweeter young prince than Tearlach as far as this part of his story goes the editor flatters himself that you shall nowhere find not in Grimm or Dasent or Perrault Still it cannot be denied that true stories are not so good as fairy tales They do not always end happily and what is worse they do remind a young student of lessons and schoolrooms A child may fear that he is being taught under a specious pretence of diversion and that learning is being thrust on him under the disguise of entertainment Prince Charlie and Cort s may be asked about in examinations whereas no examiner has hitherto set questions on Blue Beard or Heart of Ice or The Red Etin of Ireland There is to be honest no way of getting over this difficulty But the editor vows that he does not mean to teach anybody and he has tried to mix the stories up so much that no clear and consecutive view of history can possibly be obtained from them moreover when history does come in it is not the kind of history favoured most by examiners They seldom set questions on the conquest of Mexico for example That is a very long story but to the editor s taste it is simply the best true story in the world the most unlikely and the most romantic For who could have supposed that the new found world of the West held all that wealth of treasure emeralds and gold all those people so beautiful and brave so courteous and cruel with their terrible gods hideous human sacrifices and almost Christian prayers That a handful of Spaniards themselves mistaken for children of a white god should have crossed the sea should have found a lovely lady as in a fairy tale ready to lead them to victory should have planted the cross on the shambles of Huitzilopochtli after that wild battle on the temple crest should have been driven in rout from and then recaptured the Venice of the West the lake city of Mexico all this is as strange as unlooked for as any story of adventures in a new planet could be No invention of fights and wanderings in Noman s land no search for the mines of Solomon the king can approach for strangeness and romance this tale which is true and vouched for by Spanish conquerors like Bernal Diaz and by native historians like Ixtlilochitl and by later missionaries like Sahagun Cort s is the great original of all treasure hunters and explorers in fiction and here no feigned tale can be the equal of the real As Mr Prescott s admirable history is not a book much read by children nor even by grown ups for that matter the editor hopes children will be pleased to find the Adventures in Anahuac in this collection Miss Edgeworth tells us in *Orlandino* how much the tale delighted the young before Mr Prescott wrote that excellent narrative of the world s chief adventure May it please still as it did when the century was young The adventures of Prince Charlie are already known in part to boys and girls who have read the *Tales of a Grandfather* for pleasure and not as a school book But here Mrs McCunn has treated of them at greater length and more minutely The source here is in these seven brown octavo volumes all written in the closest hand which are a treasure of the Advocates Library in Edinburgh The author is Mr Forbes a bishop of the persecuted Episcopalian Church in Scotland Mr Forbes collected his information very carefully closely comparing the

narratives of the various actors in the story Into the boards of his volumes are fastened a scrap of the Prince s tartan waistcoat a rag from his sprigged calico dress a bit of his brogues a twopenny treasure that has been wept and prayed over by the faithful Nobody in a book for children would have the heart to tell the tale of the Prince s later years of a moody heart broken degraded exile But in the hills and the isles bating a little wilfulness and foolhardiness and the affair of the broken punch bowl Prince Charles is a model for princes and all men brave gay much enduring good humoured kind royally courteous and considerate even beyond what may be gathered from this part of the book while the loyalty of the Highlanders as in the case of Mackinnon flogged nearly to death was proof against torture as well as against gold It is the Sobieski strain not the Stuart that we here admire in Prince Charles it is a piety a loyalty a goodness like Gordon s that we revere in old Lord Pitsligo in another story **The Sporting review, ed. by 'Craven'**. John William Carleton,1842 **The Sportsman** ,
