Messner, Brenda S. Copeland, 2011-12-15 Written in clear simple language this book provides information that will help an aide or paraprofessional manage a school library Setting up and managing a library media center is a complex task best handled by a certified and experienced librarian but the fact of the matter is that many school districts have had to cut librarian positions and are attempting to fill the gaps with aides School Library Management Just the Basics describes the step by step process of setting up the management processes in a school library and outlines easy management concepts that will guide aides

through challenges like setting up activity centers and establishing rules for behavior With over three decades of experience in librarianship between them the authors cover topics such as student incentives and rewards scheduling and supervising computer usage circulation procedures training materials for volunteers passes book marks and other patterns and privacy issues This book can also serve as an effective training guide for district librarians responsible for training aides who are running multiple centers

Teaching Young Children Michael L. Henniger, 2002 Exceptionally lively practical and reader friendly this introduction to early childhood education book is unique because of its focus on the value of play Strong coverage of child development as well as thoughtful discussions about guiding young children working with families and celebrating diversity will help teachers facilitate all aspects of the 0 to 8 year old child's physical social emotional and intellectual growth The book also includes an overview and concise history of the field information on professional development and clear explanations of theoretical foundations for early childhood education Chapters on curriculum in the areas of mathematics science social studies language and literacy and the creative arts show teachers how to link theory to classroom practice making this comprehensive and engaging book particularly useful
