Summary of Deep and Wide SellWave Audio, 2025-10-27 This isn't a book about how to make your church bigger This is a book about how to make your church more appealing to the people who don't usually or have never gone to church *Deep and Wide* provides church leaders with an in depth look into North Point Community Church and its strategies its goals its methods and its story You'll learn how to create a church that unchurched people absolutely love to attend Pastor Andy Stanley explains his strategy for preaching and programming to both mature believers and skeptics North Point's spiritual formation model called The Five Faith Catalysts three essential ingredients for creating irresistible environments and how to tackle the challenge of transitioning a local congregation *Evangelical Worship* Melanie C. Ross, 2021 Say the words evangelical worship to anyone in the United States even if they are not particularly religious and a picture will likely spring to mind unbidden a mass of white middle class worshippers with eyes closed faces tilted upward and hands raised to the sky Yet despite the centrality of this image many scholars have underestimated evangelical worship as little more than a

manipulative effort to arouse devotional exhilaration It is frequently dismissed as a reiteration of nineteenth century revivalism or a derivative imitation of secular entertainment three Christian rock songs and a spiritual TED talk But by failing to engage this worship seriously we miss vital insights into a form of Protestantism that exerts widespread influence in the United States and around the world Evangelical Worship offers a new way forward in the study of American evangelical Christianity Weaving together insights from American religious history and liturgical studies and drawing on extensive fieldwork in seven congregations Melanie C Ross brings contemporary evangelical worship to life She argues that corporate worship is not a peripheral extra tacked on to a fully formed spiritual political and cultural movement but rather the crucible through which congregations forge argue over and enact their unique contributions to the American mosaic known as evangelicalism

Reclaiming the Church Family Matthew T. Kimbrough, 2022-01-20 Why bother with church Can't I follow Jesus on my own Christians young and old struggle to answer these questions believing Scripture says little about church life But the Bible is far from silent The New Testament envisions a vibrant church of devoted brothers and sisters adopted into God's family The biblical image of the church family has the power to reshape everything our local churches do the ways pastors lead how members engage one another what worship leaders sing and much more Now is the time to reclaim a biblical vision of the church as a family and reject the prevailing corporate church paradigm assumed by church growth gurus The church that thinks of itself as a family will learn to build meaningful relationships and show the unbelieving world how good church life can be

Irresistible Bible Study Guide Andy Stanley, 2019-01-15

Author and pastor Andy Stanley explains what made the earliest Christian movement so compelling and resilient and what we need to change today to make it so again Once upon a time there was a version of the Christian faith that was practically irresistible After all what could be more so than the gospel that Jesus ushered in Why then isn t it the same with Christianity today In this six session video Bible study DVD video streaming not included Pastor Andy answers questions like What did first century Christians know that we don t about God s Word about their lives about love What did they do that we re not doing What makes Christianity so resistible in today s culture What needs to change in order to repeat the growth our faith had at its beginning Andy is deeply concerned with the present day church and its future and he believes that many of the solutions to our issues can be found by investigating our roots It s time to hit pause and consider the faith modeled by our first century brothers and sisters who had no official Bible no status and little chance of survival It s time to embrace the version of faith that initiated against all human odds a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen This is a version of Christianity we must remember and re embrace if we want to be salt and light in an increasingly savorless and dark world Designed for use with the Irresistible Video Study 9780310100515 and the Irresistible core book 9780310536970 sold separately Enneagram Theology Rhenn Cherry,2021-08-16 The enneagram has become popular among evangelical Christians as a spiritualized personality typology that claims to help people better understand themselves and others Several influential evangelical Christian leadership ministries have promoted the enneagram as a tool in forming and maintaining effective ministry teams and the personality typology is now taught and embraced at several Christian universities But uncertainty exists about the appropriateness of referring to the Enneagram as a Christian tool Are pastors and Christian institutional leaders aware of the theology associated with the Enneagram Enneagram Theology Is It Christian provides a biblical critique of the Enneagram s underlying theology and exposes not only its foundational theological contradictions with orthodox evangelical theology but also some potential dangers to the church The Calling of Congregational Leadership Larry L. McSwain,2013-05-30 Leading is a calling from God but that doesn t mean it is easy There are choices to be made about what your congregation believes how your church organizes for effective ministry and how your church serves the settings of which you are a part The good news is that others have gone before you Author Larry L McSwain s forty years of experience can help guide you through these choices Rooted in research The Calling of Congregational Leadership teaches a three pronged approach to congregational leadership being a good leader the knowledge needed by the leader and the managing of ministry leadership By using this practical holistic approach to leading congregations McSwain shows you how to use your church s potential for conveying the power of God in the lives you touch The Calling of Congregational Leadership is for those who seek to enlarge the understanding of their leadership to make their communities of faith more vital and more reflective of the mission of God in the world *How to Disciple Men (Short and Sweet)* The National Coalition of Ministries to Men,2017-09-01 **Handbook of Contemporary**

The One Ronny Russell, 2013-12-17 The parable in Luke 15 17 can be seen from three angles The dilemma of the shepherd is whether or not to leave the ninety nine and go in search of the one lost sheep It may not make sense economically and rationally but he leaves them anyway and begins his search The poor sheep has wandered away and is lost not hopelessly so but lost The sheep does have hope and it rests with the shepherd whose love for her is so vast and so relentless that he won't rest until he finds the sheep And then there's the ninety nine Their attitude and behavior toward the lost sheep is paramount in the story Will they join in the search Will they celebrate with the shepherd once the sheep is returned Or will they criticize and whine about how the shepherd spends all his time searching for the one who is lost The One explores the foundational nature of this parable and how important its implications are for the church and one's own walk with the Lord The value that God places on the one is life changing for those who come to understand it An intense and powerful vision shared through the lens of author Ronny Russell's personal and professional spiritual journey Authenticity is found in every paragraph that rings with empowering truth inspiration and encouragement for the one I have watched Ronny's journey for decades and found his passion to be deep contagious and transformational for the one and the remnant who seek meaning in our fast paced world filled with churches that often miss the one to preserve the institution Ronny serves Christ above all and finds hope in God's calling and gifting as a member of the body of Christ Truly a worthy and engaging read Edward Hammett author of Spiritual Leadership in a Secular Age and Recovering Hope for Your Church

Friendship Leadership Matt Messner, Rachel McMurray-Branscombe, 2018-11-29 No one can deny that friendships are powerful relationships of influence Why not strategically incorporate friendship within a philosophy of leadership People long for relational models of leadership yet few specific methodologies have been developed This book examines the friendship of God with humanity and the leadership of Jesus with his disciples to whom he declared I no longer call you servants Instead I have called you friends John 15 15 In response to this enduring example of the Divine bringing together both friendship and leadership this book presents an unexplored model of leadership for the Christian practitioner Friendship Leadership The authors of Friendship Leadership share research historical examples and their personal experiences with this leadership model as they describe both the trials and triumphs Through this process the book addresses the primary barriers a leader might experience when utilizing the Friendship Leadership model Finally the authors offer a guide for how to incorporate friendship into their leadership strengthening others as they follow the example of our great Leader The result is a transformational way of leading that nurtures relationships

A Church Beyond Belief William L. Sachs, Michael S. Bos, 2014-10 Addresses belonging before believing and other new patterns for remaking congregations As we move beyond the emergent or missional church

paradigm pastors and other church leaders are discovering a new reality people especially younger generations are coming to church not as believers but to find a place to belong with or without faith This book describes the dilemma and the distractions that currently prevent congregations from being the place where that sense of belonging can unfold and guide newcomers in the discovery of faith The authors argue that despite elaborate talk of change spirituality transformation and conflict resolution congregations are still mired in old patterns of belonging Using broad based career experiences surveys of religious life historical precedent and insights from social psychology about what it means to belong today the book suggests new and effective approaches to help churches make vital connections

Not in It to Win It Andy Stanley,2022-05-10 Is it possible to disagree politically and love unconditionally The reaction of evangelicals to political and cultural shifts in recent years revealed what they value most Lurking beneath our Bible laced rhetoric faith claims books and sermons is a relentless drive to WIN But the church is not here to win By every human measure our Savior lost On purpose With a purpose And we are his body We are not in it to win anything We are in it for something else entirely That something else is what this book is about You ll discover How to take a stand the right way You ll learn how to make your case with a posture of humility and understanding rather than being fueled by the fear of losing something How to view politics through the lens of faith Learn curiously listen intentionally and love unconditionally How the life of Jesus and his teaching applies to modern day challenges in a fresh way The biblical stand may not be what we ve been taught Jesus never asked his followers to agree on everything But he did call his followers to obey a new command to love others in the same way he has loved us Instead of asserting our rights or fighting for power we need to begin asking ourselves what does love require of me

Preaching the Fear of God in a Fear-Filled World Dawn Ottoni-Wilhelm,2021-11-30 Fear runs rampant in the world today including fears related to the rise of nationalism refugees political corruption violence religious extremism and climate crises Amid these existential realities the biblical idea of the fear of God poses theological opportunities and challenges for those who address these themes in their preaching and public ministry This collection of conference presentations from the 2018 meeting of Societas Homiletica focuses on how preaching

and homiletical studies around the world address the rhetorical biblical political and spiritual dimensions of fear as it has emerged in recent decades in church and society *Re:Vision* Aubrey Malphurs, Gordon E. Penfold, 2014-10-14 Pastors around the country continue to look for the program the book or the sermon series that will turn their plateaued or declining churches around But what if the answer to revitalizing the church was closer to home According to trusted church leadership expert Aubrey Malphurs and veteran pastor Gordon E Penfold it is They believe that pastors themselves are the key In a time when many pastors are jumping from church to church every two or three years as they search for the right fit where they can make a difference churches are suffering from a lack of sustained leadership from pastors with a viable vision for ministry In *Re Vision* Malphurs and Penfold take pastors through a process of discovery and self evaluation designed to help them re envision their role create a culture for positive change and recruit people to come alongside them as helpers and encouragers Multiple appendices offer self diagnostic tools and surveys to help pastors assess their strengths and weaknesses for more effective ministry From Obstacles to Opportunities Patty Cepeda-Russell, 2013-09 I never thought I would write a book about my testimony especially since it involves sensitive subjects like childhood sexual abuse and rape in the military But God has placed a special burden on my heart to reach out to others who have gone through similar trials This book is for anyone who has ever questioned God's redeeming power in their lives
