Apropos of Something Elisa Tamarkin,2022-07-27 A history of the idea of relevance since the nineteenth century in art criticism philosophy logic and social thought Before 1800 nothing was irrelevant So argues Elisa Tamarkin s sweeping meditation on a key shift in consciousness the arrival of relevance as the means to grasp how something that was once disregarded unvalued or lost to us becomes interesting and important When so much makes claims to our attention every day how do we decide what is most valuable right now Relevance Tamarkin shows was an Anglo American concept derived from a word meaning to raise or to lift up again and also to give relief It engaged major intellectual figures including Ralph Waldo Emerson and pragmatists and philosophers William James Alain Locke John Dewey and Alfred North Whitehead as well as a range of critics phenomenologists linguists and sociologists Relevance is a struggle for recognition especially in the worlds of literature art and criticism Poems and paintings in the nineteenth century could now be seen as pragmatic works that make relevance and make interest that reveal versions of events that feel apropos of our lives the moment we turn to them Vividly illustrated with paintings by Winslow Homer Henry Ossawa Tanner and others Apropos of Something is a searching philosophical and poetic study of relevance a concept calling for shifts in both attention and perceptions of importance with enormous social stakes It remains an invitation for the humanities and for all of us who feel tasked every day with finding the point

Revelation in Progress from Adam to Malachi. A Series of Bible Studies Jonathan Holt Titcomb (Bishop of

Rangoon.),1872 Revelation Examin'd with Candour Patrick Delany,1733 *The New Jerusalem in the Book of Revelation*

Pilchan Lee,2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem the New Jerusalem is the descent of the Heavenly Jerusalem Moreover there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple How can this shift be explained Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation He assumes that as the exegetical tradition the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation John s main argument is that the church which is symbolized by several images is placed in heaven now chapters 4 20 and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future 21 22 **Revelation in progress from Adam to Malachi. A series of Bible Studies, etc** Jonathan Holt TITCOMB (Bishop of Rangoon.),1871 **Changing the Dream** Laura Anderson,Michael Anderson,2013-10-14 Changing the Dream is a true story where two spiritual seekers drawn to Machu Picchu Peru to energetically save the world found among the beauty of the ancient ruins personal initiation epiphany and a sense of completion Their pilgrimage to change the dream of the planet changed their own dream The Pentateuch in the Progressive Revelations of God to Men Henry Cowles,2020-12-01 My reasons for treating the Pentateuch topically rather than textually will be obvious Criticism on the original text is rarely needed There is seldom the least occasion to aid the reader in following the line of thought or the course of argument The demand here is rather for the discussion and due presentation of the great themes of the book My plan has therefore aimed to meet this demand discussing these themes critically so far as seemed necessary either because of their intrinsic nature or because of popular objections or misconceptions and always practically so far forth as to show the important moral bearings of these themes as revelations of God to man It has been however my purpose to explain all the difficult doubtful or controversial passages from the Preface
