All or None Kenneth Willeford, MD, 2016-06-08 The Bible claims that since the creation of the world God's invisible qualities his eternal power and divine nature have been clearly seen being understood from what has been made Creation science evaluates this claim and presents scientific evidence that contradicts evolution Since there are only two possibilities for the existence of life becoming convinced that evolution is not true leads to a new or deeper belief in God This is a new method to present the evolution and creation controversy in the context of a sequence of events which must all individually be evaluated to make a logical decision concerning belief in either This unique approach with the use of logic or common sense leads to a personal conclusion of the most philosophic question imaginable Is God Real

Blare Laura Greeb,2024-07-08 She stared at his face wishing for a sign but expecting nothing less than that blank stare A terrible feeling welled up inside her He had said her name somehow he knew her and he asked her for help His words echoed in her mind broken What was broken Genesis had spent her whole life exploring but she had never come across anyone like Blare Through some mysterious circumstance

he was stricken with an illness that left him eerily robotic And somehow despite never meeting before he knew her name Determined to find a cure and the meaning behind his troubling words Genesis sets out on a series of adventures in search for answers But things do not go as planned and when a greedy merchant confuses Blare for a valuable robot Genesis grows anxious that Blare might never be healed And worst of all no healer has ever seen a sickness like Blare s and no one knows how to help him My Enemy's Boyfriend Linda Kage,2024-05-23 It was no mystery why I hated Genesis Gusano She liked to take other people s things The bitch stole a pair of my cutest shoes along with my favorite necklace and a school paper I d written which had nearly gotten me expelled from Haverick University entirely But the last straw came when she dared to take the one thing I d been pining over for two years Him I had craved Hudson Ivey in a way I didn t even know craving was possible and that was before I d learned his dang name He had no idea he d become a possession that two enemies were warring over All he wanted to do was graduate with his culinary arts degree and become the best chef possible But now he s stuck in Genesis s sick game until a ghost from his past changes all the rules possessing him in a whole new far more dangerous way I promised myself I was done with the paranormal life I was determined to be a normal everyday average girl But I can t just stand aside and watch him be destroyed So I guess it s time for a little Faith to step in and save the day
