An Unlikely Governess:

An Unlikely Governess Karen Ranney, 2009-10-13 Beatrice can handle a troubled young duke but the boy's dangerously appealing cousin Devlen is another matter entirely **An Unlikely Governess** Karen Ranney, 2005-12-27 Beatrice can handle a troubled young duke but the boy's dangerously appealing cousin Devlen is another matter entirely **An Unlikely Governess** Christina Rich, 2017-06-13 Bernadette Chambers has one last assignment before graduating Harris Spotchnet's Finishing School of the Peculiar Kind and unfortunately she'll need more than her training has prepared her for when it comes to being a governess to a small child who witnessed her father's kidnapping but her lack of preparedness with the child is nothing compared to the sparks ignited by the child's uncle and his desperate desire to keep his niece safe Retired Society Agent Isaac Clanton Willoughby knew his brother was on the verge of a scientific breakthrough to cure a disease that took his late wife when he disappeared days before the cure was to be unveiled at Andropogon's Worlds Fair Now it's up to him to discern his brother's secret codes find out who took him and ensure his niece's well being by hiring the perfect governess without becoming distracted by her beauty and intelligence But when he discovers nothing is as it seems can he push past his reservations and trust the woman to help him unravel the mystery left by his brother before it is too late **A Scottish Love** Karen Ranney, 2011 **The Maharaja's Daughters** Celeste Barclay, 2024-12-28 What happens when three Indian princesses fall in love with three East India Company officers When sisters Suniti Sarla and Vinita Singh enter the local market they didn't expect to meet their soulmates Daughters of the Maharaja of Bikaner these sisters believed they knew what fate held for them arranged marriages But a casual trip into town changes everything when they spy three East India Company men negotiating with a local seamstress Intrigued by the men's integrity and generosity the sisters can't help their curiosity Robert de Redvers Theodore Rowe and William Abbington believed they knew why they came to northwestern India adventure While still getting used to their newest assignment the three East India Company officers venture to the market for more comfortable clothing But none imagined the three young women they spy will change their destiny Unaware that they encountered three royal sisters the men wonder if they'll ever meet the women again In this tale of opposites attract each couple must find their way to a happily ever after when outside forces would keep them apart Impending betrothals duty religious and cultural differences and unconvinced parents could derail these romances before they begin This STEAMY PREQUEL NOVELLA launches Celeste's Smugglers Run series a special Regency series that celebrates diversity through accurate history with heat This book now includes a never before seen Epilogue **An Unlikely Father** Lynn Collum, 1999-11 A woman agrees to accompany a lord's three motherless children from India to their uncle's estate Miss Emily finds Lord Carson to be an insufferable albeit handsome rake yet his interest in her is growing **Queering the Vampire Narrative** , 2023-10-20 Queering the Vampire Narrative offers classroom ready original essays that continue our explorations of vampires as representations of the cultural Other which builds on the work of our previous texts The editors

argue ultimately the vampire is a queer icon infinitely blurring the boundaries of identity and cultural norms and queering even the most seemingly stable notions such as life death humanity and monstrosity The Vampire is the undead monarch of subtextual articulations of Otherness especially queer behaviors and desires offering explorations of the AIDS epidemic the destabilization of ideas of fixed and stable sexuality the search for community and chosen family and the issues of individual and generational trauma In current fictions vampires are coming out of the coffin and the closet identifying as openly queer and often created by queer writers artists and directors and bringing the subtext to the surface of the narrative This volume seeks to create a dialogue about the impact and importance of the vampire on queer identity and queer theory and to answer the questions of why the vampire is such a compelling queer icon and what visions of vampires articulate about our ideas surrounding issues of sexuality sexual orientation sexual behaviors and desires *Prepossessing Henry James* Julián

Jiménez Heffernan, 2023-05-31 The novels of Henry James are filled with ghosts but most of them escape dramatic treatment These elusive specters are the voices of precursors that haunt his narratives compromising their constitutive freedom The Strange Freedom is an examination of the ways James's fiction is prepossessed by some major voices of the English literary tradition those of Shakespeare Richardson Fielding Gibbon Thackeray and Dickens This subtextual arrogation sets constraints to the unfolding in James's narratives of liberal and romantic freedom it places limits both to the absolute exemptions of aesthetic interest and to radical Bohemian abandon But these constraints and limits can be regarded dialectically as the enabling conditions of the very liberty they imperil Drawing on recent research on the spectral dynamics and indirections of literary influence by scholars like Adrian Poole Philip Horne Nicola Bradbury Tamara Follini and Peter Rawlings but also on earlier deconstructive work by John Carlos Rowe *Prepossessing Henry James* offers a speculative account of the way James is simultaneously resourced and restrained by his sources Along the way we discover how Hamlet's ghost instills in James a fantasy of mental autonomy or how he adapts Gibbon's *Enlightened* narrative to inhibit civic liberty with images of female sacrifice We see the governess in *The Turn of the Screw* possessed by the specter of Richardson's *Pamela* exposing social freedoms with liberal brutality We encounter Gray in *The Ivory Tower* striving to obtain personal freedom by repressing Dickensian figures monstrous fantastic And finally we recognize how much *The Ambassadors* owes to the ambiguous manner of Thackeray Chapter 3 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license *Emigrant*

Gentlewomen A. James Hammerton, 2016-07-01 First published in 1979 This book examines the distressed gentlewoman stereotype primarily through a study of the experience of emigration among single middle class women between 1830 and 1914 Based largely on a study of government and philanthropic emigration projects it argues that the image of the downtrodden resident governess does inadequate justice to Victorian middle class women's responses to the experience of economic and social decline and to insufficient female employment opportunities This title will be of interest to students of

history **The Letters of Sarah Harriet Burney** Sarah Harriet Burney,1997 This scholarly edition presents for the first time all of the known surviving letters of British novelist Sarah Harriet Burney 1772 1884 The overwhelming majority of these letters more than ninety percent have never before been published Burney s accomplishments says Lorna J Clark have been unjustly overlooked She published five works of fiction between 1796 and 1839 all of which met with reasonable success including *Traits of Nature* 1812 which sold out within three months These letters position Burney among her fellow women writers and shed light on her relations with her publisher and her ambivalence toward her own work and her readership Her lively observation of the literary scene evinces the range and scope of her reading as well as her awareness of literary trends and developments Burney was for example remarkably prescient in recognizing and praising from the first the talent of Jane Austen and met several of the authors of her day A challenging new perspective on family matters also emerges in the letters The youngest child of the second marriage of Charles Burney and the only daughter to remain unmarried Sarah Harriet had the unenviable task of caring for her father in his later years Her letters reveal a darker side of Dr Burney and also help to round out our image of a more favored daughter Sarah Harriet s half sister and fellow novelist Frances Burney As literature Clark observes Burney s letters are arguably her best work Thoroughly versed in the epistolary arts she sought always to amuse and entertain her correspondents Burney ultimately emerges as a quiet but heroic single woman relegated to the margins of society where she struggled for independence and self respect Displaying literary qualities and a lively sense of humor the letters provide a fascinating insight into the literary political and social life of the day My Lonely Lassie Annette M. Lyster,1880 **Families of the Heart** Ann Campbell,2022-11-11 In this innovative analysis of canonical British novels Campbell identifies a new literary device the surrogate family as a signal of cultural anxieties about young women s changing relationship to matrimony across the long eighteenth century By assembling chosen families rather than families of origin Campbell convincingly argues female protagonists in these works compensate for weak family ties explore the world and themselves prepare for idealized marriages or sidestep marriage altogether Tracing the evolution of this rich convention from the female characters in Defoe s and Richardson s fiction who are allowed some autonomy in choosing spouses to the more explicitly feminist work of Haywood and Burney in which connections between protagonists and their surrogate sisters and mothers can substitute for marriage itself this book makes an ambitious intervention by upending a traditional trope the model of the hierarchal family ultimately offering a new lens through which to regard these familiar works An Unlikely Attraction Melinda McRae,1991 **The Devil Wears Tartan** Karen Ranney,2009-10-06 A man in the shadows Some say he is dangerous Others say he is mad None of them knows the truth about Marshall Ross the Devil of Ambrose He shuns proper society sworn to let no one discover his terrible secret Including the beautiful woman he has chosen to be his wife A fallen woman Only desperation could bring Davina McLaren to the legendary Edinburgh castle to become the bride of a man she has never met Plagued by scandal left with no choices she has made her bargain with the

devil And now she must share his bed A fire unlike any they ve ever known From the moment they meet Davina and Marshall are rocked by an unexpected desire that leaves them only yearning for more But the pleasures of the marriage bed cannot protect them from the sins of the past With an enemy of Marshall s drawing ever closer and everything they now cherish most at stake he and Davina must fight to protect the passion they cannot deny
