Dinosaurs, Dragons, and the Bible Bodie Hodge, 2023-05-09 Dinosaurs Dragons and the Bible is a one of a kind Christian apologetic resource sure to captivate families scientists historians and theologians Using the Bible as the absolute authority Bodie Hodge of Answers in Genesis the Creation Museum and the Ark Encounter provides answers to the most asked questions about these amazing creatures As Christians we must not ignore what the Scriptures say about dinosaurs and dragons and accept the secular world's wisdom This ProBible handbook offers fascinating answers based on fossil footprints soft tissue biblical references to dragons serpents and leviathans and much more Go beyond the Hollywood version of these magnificent creatures to discover the truth of these icons of Creation and testaments of God's power in the Genesis Flood Designed for almost all ages the book answers questions such as How Did Huge Dinosaurs Fit on the Ark Are Dinosaurs and Dragons the Same Thing How Do I Use the Bible as the Framework to Look at Dinosaurs Were Dinosaurs on Noah's Ark and Did Any Go Extinct Before the Flood Are Dinosaur Fossils in the Cretaceous Jurassic and Triassic Rock Millions of Years Old or from the Flood Why Don't We Find the Word Dinosaur in the Bible Are There Any Human and Dinosaur Fossils Buried Together Dinosaurs are nearly synonymous with evolution in the minds of much of the world Studying these answers will help Christian families church leaders scientists and theologians develop greater faith in the infallibility of God's Word and His role as Creator A Note from the author Bodie Hodge I want to encourage parents and churches to be able to respond biblically to the secular attacks war on our children So as any good General would do in times of war we need to study our opponent and know exactly what the secular side is teaching our children Then get equipped with solid biblical answers from our highest commanding officer God and His Word to defend our children against the attacks Then teach this knowledge diligently and apologetically to the next generation like parents and churches are supposed to do e.g Ephesians 6:4 11:2 Timothy 3:16 17 *How "Proof of Evolution" Supports Creation* Harold Lerch, 2025-04-03 This book is the result of a curious Google search Is there irrefutable proof of evolution The Artificial Intelligence reply was a resounding Yes But as I read the details I realized that the same points offer irrefutable proof of creation Creation and Evolution are as opposite as two concepts can be The Bible tells us that an all powerful all knowing God brought all creation about in a matter of six days and that this took place about six thousand years ago Evolution theory requires that the Universe is billions of years old and that life developed over hundreds of millions of years In this book we will look at both sides of the question in as fair a manner possible The conclusion is your decision but only one choice is correct
