What learning is taking place
here? How is this meaningful?

Using 'Junk' materials Tara decided she wanted to make a dog. She selected the materials to represent the body parts. I demonstrated how to use the glue gun and discussed safety aspect with Tara. She was eager to have a go. Confidently and carefully she squeezed out the glue. I noticed that to begin with Tara needed encouragement to stay focused on her task as she would go off on tangents when she was selecting her materials from the trolley. Tara showed pride and a sense of achievement in her work.

Tara showed energy and enthusiasm when involved in art experience (W4).

Tara can use her imagination and prior knowledge to create a symbolic representation (W4).

Tara understood the safety aspect and kept her body safe (W3).
