Bill Donovan's organization in the two National Parks. It also assesses the effectiveness of the training OSS agents received and how they utilized it in their dangerous and often heroic exploits overseas. It explores the legacies of the OSS upon the parks themselves, upon the veterans, and upon the organization heirs of the OSS. **The Anglo-American Magazine**, 1852

The Anglo-Boer War 1899-1902: 963 Days Pieter G Cloete, 2021-12-01 Since the start of the Anglo-Boer War today, 120 years ago, thousands of publications, written or typed reports, and other creations have been produced to narrate the war events, express opinions on its origins, causes, course, results, and legacy, and on participants in the struggle. This process is ongoing since the debate amongst both professional historians and interested amateurs on exactly what happened and why is still raging, and new information on the war still crops up. The history of the Anglo-Boer War is truly a never-ending discourse. As the author of a number of books on the war, I have consulted hundreds of both published and unpublished sources. Some were of limited value, but a small percentage of the published books were of such high value that they formed part of a small stack of books that found a permanent home on my desktop while I was in the writing process. Pieter Cloete's *The Anglo-Boer War: A Chronology*, both the original English version and the enlarged Afrikaans version published in 2010, was always part of that stack. It is to me a privilege to write a foreword for the user-friendly and meticulously researched book. It not only contains a wealth of information but a detailed source list and an extensive index. There are few, if any, more helpful reference books on the war, and thus represents an essential resource to anyone with a more than superficial interest in the Anglo-Boer War. DR JACKIE GROBLER, Historian and author. Recently retired after 40 years at the Department of Historical and Heritage Studies, The University of Pretoria.

Boxed set: The Anglo-Boer War 963 Days / The Anglo-Boer War Maps, Stats & Facts Pieter G Cloete, 2021-12-01

This bundle e book volume contains both *The Anglo Boer War* and the accompanying *Maps Stats Facts* volume from Pieter G Cloete **The Anglo-American Times**, 1866 *The Complete Sherlock Holmes & Other Crime Mysteries* by Arthur Conan Doyle: Arthur Conan Doyle, 2023-12-12 In *The Complete Sherlock Holmes Other Crime Mysteries* Arthur Conan Doyle presents a masterful collection of detective stories that delve into the enigmatic mind of the iconic sleuth Sherlock Holmes. Spanning the breadth of the Victorian and Edwardian eras, the anthology showcases a blend of meticulous plotting, detailed character development, and inventive narrative techniques that epitomize the genre of detective fiction. Doyle's elegant prose and acute observation of human nature invite readers into a world where logic and deduction unravel the most perplexing crimes, making this collection a vital reference point in the literary canon of mystery and crime literature.

Arthur Conan Doyle, a medical doctor by training, found his true calling in writing. The keen powers of deduction he witnessed in his own medical practice inspired him to create Holmes, a character whose analytical prowess and unique personality reflect Doyle's fascination with the intersection of science and imagination. Furthermore, Doyle's extensive travels and encounters with diverse cultures and social classes influenced the rich tapestry of characters and settings in his stories, enhancing their depth and authenticity. This essential volume is not merely a collection of stories but a profound exploration of human nature, morality, and the social issues of the time. Ideal for both longtime fans and newcomers, *The Complete Sherlock Holmes Other Crime Mysteries* is a captivating invitation to experience the brilliance of Doyle's storytelling and the timeless allure of detective fiction.

The Apocryphal Gospels of Mary in Anglo-Saxon England Mary Clayton, 1998 This book provides an edition, translation, and commentary of the three apocryphal gospels of Mary written in Old English. *The Secret Anglo-French War in the Middle East* Meir Zamir, 2014-11-27 The role of intelligence in colonialism and decolonization is a rapidly expanding field of study. The premise of *The Secret Anglo-French War in the Middle East* is that intelligence statecraft is the missing dimension in the established historiography of the Middle East during and after World War II. Arguing that intelligence, especially covert political action and clandestine diplomacy, played a key role in Britain's Middle East policy, this book examines new archival sources in order to demonstrate that despite World War II and the Cold War, the traditional rivalry between Britain and France in the Middle East continued unabated, assuming the form of a little-known secret war. This shadow war strongly influenced decolonization of the region as each power sought to undermine the other. Britain exploited France's defeat to evict it from its mandated territories in Syria and Lebanon and incorporate them in its own sphere of influence, whilst France's successful use of intelligence enabled it to undermine Britain's position in Palestine, Egypt, Saudi Arabia, and Iraq. Shedding new light on the clandestine Franco-Zionist collaboration against Britain in the Middle East and the role of the British secret services in the 1948 Arab-Jewish war in Palestine, this book, which presents close to 400 secret Syrian and British documents obtained by the French intelligence, is essential reading for scholars with an interest in the political history of the region, inter-Arab and international relations, and intelligence studies. *British Murder Mysteries:*
