Drawing Manga 9colorstudio,2013-10-17 *Idiot's Guides Drawing Manga* is for anyone who has no previous drawing experience or who is new to drawing in the Manga style. The overall approach is focused on simplifying the drawing process by breaking down lessons into more steps that are easier to learn. Many competing books show lots of complex drawings and different styles and characters but they fall short at offering the level of simplicity necessary for beginners to find success. They often take readers from the beginning form to a finished drawing in just a few brief steps leaving the less experienced artist at a loss. *Idiot's Guides Drawing Manga* offers an easier approach with more steps and mini lessons that focus on specific features within a drawing lesson. This easy to follow full color guide takes readers step by step through clear illustrated lessons that contain more steps for easier learning. Readers start with the most basic features moving into basic characters and emotions and then on to basic character poses and interactions that are common to the most popular Manga styles.
