

MARK SCHEME for the May/June 2008 question paper

9696 GEOGRAPHY

9696/01

Paper 1

Maximum raw mark 50

This mark scheme is published to assist teachers and students to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that take place at an Examiners' meeting before marking begins. Any substantial changes to the mark scheme that arise from these discussions will be recorded in the published Report on the Examination.

All Examiners are instructed that alternative correct answers and unexpected approaches in candidates' scripts must be given marks that fairly reflect the relevant knowledge and skills demonstrated.

Mark schemes must be read in conjunction with the question papers and the Report on the Examination.

The minimum marks in these components needed for various grades were previously published with these mark schemes, but are now placed inside the Report on the Examination for this session.

© CIE will not enter into discussion or correspondence in connection with these mark schemes.

CIE is publishing the mark schemes for the May/June 2008 question papers for most IGCSE and CIE Advanced Level and Advanced Subsidiary Level syllabuses and some Ordinary Level syllabuses.
