The Power of Small Groups in Christian Formation Harley T. Atkinson, 2018-01-10 Small groups continue to be a significant part of church life and Christian formation in the twenty first century impacting a church and society characterized by loneliness and fragmentation As such Julie Gorman is prompted to declare Small groups have come of age They have found unprecedented acceptance and endorsement This is a comprehensive book on small groups and Christian formation informed by theology church history and the social sciences It addresses both the foundations and praxis of groups with a special emphasis on leading dynamic group discussions Pentecostal and Charismatic Studies William Kay, Anne E. Dyer, 2017-10-30 The Pentecostal and Charismatic movement is one of the miracles of the 20th century Without government support without an advertising campaign often without the notice of journalists and academics and sometimes in the face of persecution and ridicule it has spread its message around the world and now attracts in the region of 500 million people Many of its original and formative documents are unknown and out of print This book collects together samples from the writings of key Pentecostals and charismatics going back about 100 years and over a range of issues and practices shows how they vary and how they have developed historically These texts have lain in out of print magazines and archives and so far as we know have never been collected before in this way This book allows you to hear the authentic voice of the Pentecostal and charismatic movements drawing especially from sources in English **SCM Core Text: Pentecostalism** William K. Kay, 2013-01-26 The Pentecostal and charismatic movements showed astonishing growth in the twentieth century so as to arrive at a total that is said to include at least 400 million people worldwide The academic study of the Pentecostal and charismatic movement has been gaining momentum in the last few years both as an element within contemporary religious studies and as a strand within the subject area of church history going back to the early church This student friendly text is essential reading for students of Theology and Religious Studies taking second or third year modules in Pentecostal studies It is also of great relevance to students of sociology of religion as well as cultural and historical studies of religion and religious movements In addition to a comprehensive and accessible introduction to the subject it offers useful resources such as suggestions for further reading questions for reflection and a glossary of technical terms **A New Vision, a New Heart, a Renewed Call** David Claydon, 2005 *Things*: Dick Houtman, Birgit Meyer, 2012-09-12 The relation between religion and things has long been conceived in antagonistic terms privileging spirit above matter belief above ritual and objects meaning above form and inward contemplation above outward action This book addresses these issues *Foundations* Cesar Castellanos D, 2003 **The Romans 10 Controversy** Jacob M. Thompson, 2019-04-08 This is a great description of what salvation is and is not *Vision* Cesar Castellanos D, 2003 **Cristianesimo extra-large** Enzo Pace, 2018-12-20T15:39:00+01:00 Un cristianesimo di nuova generazione restio ad allinearsi docilmente ai modelli ecclesiali della tradizione cattolica e delle Chiese della Riforma si sta rapidamente diffondendo in Africa Asia e America Latina ed

ormai pronto a mettere radici anche in Europa. Più interessato a proporsi come esperienza immediata della potenza dello Spirito che a elaborare categorie teologiche, questo cristianesimo crede nell'efficacia dei doni spirituali nel promuovere il cambiamento interiore e il successo nella vita mondana e si affida a leader carismatici che sapientemente trasformano le liturgie in spettacoli di massa per provare i loro poteri di guarigione e profezia. Un elemento che riassume tutti questi aspetti è la scelta di strutture extra-large che sul piano architettonico non ripetono gli stili dell'arte sacra ma si integrano nel panorama delle metropoli preferendo la forma esteriore di grandi auditori e di multisale di preghiera. L'organizzazione drammaturgica dello spazio sacro al servizio di una messa in scena, la guerra contro gli spiriti del male in nome di Gesù e dello Spirito Santo cui sotto la regia del leader tutti potenzialmente sono chiamati a partecipare recitando ruoli da co-protagonisti.

Unveiling Theological and Doctrinal Concepts Rev. Oscar Garcia, 2013-10-04 In the present the Christianity is going through a time of much confusion of false apostles and false prophets along with false teachings and erroneous interpretations of the Bible. The churches have been infiltrated by homosexuality and bizarre cults; the moral crises at all levels in our society, the ravaging crime, rapes of children and family violence all demonstrate the urgent need that the Christian people have to seek in prayer for God's intervention to heal human beings from their terrible spiritual condition. In this book the reader will find concepts that may help him to grow and to get stronger spiritually. Here is a brief list of the many topics covered in this book: More than three hundred Old Testament prophecies about the Messiah that were fulfilled in Jesus Christ; The deity from eternity of the Begotten Son of God that can be seen in both the Old and the New Testament; The evidence of the fullness of the Holy Spirit; The return of Jesus by the saints in the Old Testament as well as in the New Testament; and the prophecies that demonstrate the rapture of the heirs of the kingdom of heaven of the born again believers; The prophecies about the millennium and the time of its fulfillment; The security of the salvation of the kingdom of heaven of the children of God; The judgment of the nations and the White Throne judgment; The resurrection of the dead in the Millennium; The resurrection of the dead and the judgment of condemnation for the impious.

A Survey of World Missions Robin Hadaway, 2020-05-01 Robin Hadaway presents a full survey of world missions addressing biblical theological and historical foundations as well as culture context, philosophy and missions strategy.

Somente uma Gota do Sangue de Jesus Cesar Castellanos, 2017-06-15 Muito cristos ignoram o poder que há no Sangue que Jesus derramou e por isso não conseguem ter uma vida cristã vitoriosa.
