

Grade 6

FCAT 2.0 Reading

Sample Answers

This booklet contains the answers to the FCAT 2.0 Reading sample questions, as well as explanations for the answers. It also gives the Next Generation Sunshine State Standards (NGSSS) benchmark assessed by each item. Although work was under way to either revise current standards or adopt the K–12 Common Core curriculum standards, no decisions were made at the time FCAT 2.0 tests and sample questions and answers were developed. For this reason, the 2011 FCAT 2.0 tests and sample questions and answers are based on the 2007 NGSSS. The benchmarks included in this booklet provide teachers with additional information. For more information, follow this link to the Florida NGSSS website:
<http://www.floridastandards.org/index.aspx>.

Multiple-choice items in FCAT 2.0 Reading tests are scored by awarding one point for each correct answer.

The intent of these booklets is to orient teachers and students to the types of questions on FCAT 2.0 tests. By using these materials, students will become familiar with the types of items and response formats that they will see on the actual test. The sample questions and answers are not intended to demonstrate the length of the actual test, nor should student responses be used as an indicator of student performance on the actual test. Additional information about test items can be found in the *FCAT Test Item Specifications* at: <http://fcat.fldoe.org/fcatis01.asp>.

The sample questions for students and the sample answers for teachers will only be available online at: <http://fcat.fldoe.org/fcatsmpl.asp>.
