

The Crucible Act 1 Study Questions and Answers 100% Pass

Early in the play, Rev. Parris is greatly concerned with his "enemies," whom he fears will use Betty's mysterious illness against him. What does this show us about Parris? Would you say he's a good father? Give evidence to support your answer. ✓✓He is not a good father, because he cares about his reputation more than his daughter.

Why does Elizabeth Proctor only rarely come to church these days? ✓✓She doesn't want to go to church because Abigail goes to church.

Abigail had an affair with John Proctor.

When Abigail relates her version of what happened in the forest, what lends credibility to her story? Does Parris believe her? Why is he interested if her name is "entirely white in the village"? ✓✓She says Tituba sang Barbados songs, which she does do.

However, Parris doesn't believe her.

Parris is interested because he doesn't want his reputation to be ruined.

Abigail describes Elizabeth Proctor as "a lying, cold sniveling woman." What's ironic about this? ✓✓It's ironic because Abigail was the one having an affair and she is lying to everyone.

On Being in the Middle W. J. de Kock,2024-04-11 In our world there s a lack of clear middle ground It s a divided place with political affiliations drawing lines between the left and the right Being in the middle is challenging our allegiances are pulled in different directions making it isolating and overwhelming to navigate life s complexities But we live from the middle between birth and death between events important dates and between stability and change In this uncertain space we face existential questions about identity the meaning of life our purpose and our place in the world This is the domain of theology Traditionally theology attempts to answer these questions from the top down declaring dogmas as absolute truths to remove the uncertainties However unexamined answers can become oppressive stifling vitality and can even become tyrannical answers of the left or the right This book suggests a different approach doing theology from the inside out and from the bottom up starting with sacred questions instead of rehearsed answers We don t expect that the answers we come to will be final However we expect to find God in the middle Theology is the practice of the presence of God where we integrate our love and knowledge of God to live wisely in a divided world
