A. Ajayi, 2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In A Biblical Theology of Gerassapience the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel s life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel s neighbors and of modern societies such as the West African Yoruba tribe The overall results are bi dimensional On the one

hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age Both terms have strong contextual affinity with minimal exceptions Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience Yahwistic wisdom Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise

Thomas Elkins, 2011-02-10 Those of us hearing a Well Told Story may become more aware of the Implications of that story than by a mere recital of facts The use of the Story Form of relating an event may be the best method of capturing the significance of the actual event In the understanding and presentation of the Christian faith Story is considered as a fundamental category of reality It is the perfect vehicle for presenting the Good News of the Gospel John Paul Roth The presentation of real events in story form preserves the remembrance of reality without limiting its implications to the mere recording of historical facts The Gospel story carries us beyond the realm of human understanding into the higher realm of faith The power of story assists us in bridging the gap between the inexplicable in the Gospel Story and the human experience This holds true with the stories which accompany and support the underlying Story of God in Jesus Christ True stories as is the Gospel Story will take precedence over stories told only for entertainment or to serve a specific agenda Yet even the stories of integrity and truth need to be told well and with skill This is discussed in detail herein As Theologians we must tell the Story with truth and understanding as Evangelists with persuasiveness and tolerance and as Preachers or Witnesses we must share the Story often convincingly and with Love Loving God loving each other and the Story never ends **Key to Self-Realization: Paramahansa Yogananda Collection** Paramahansa Yogananda, 2023-12-23 In Key to Self Realization Paramahansa Yogananda Collection the revered spiritual teacher Paramahansa Yogananda presents an insightful compendium that melds wisdom from Eastern philosophy with practical guidance for modern living Through a succession of essays lectures and lessons Yogananda elucidates the concepts of self realization and spiritual enlightenment employing a lyrical yet accessible prose style that invites readers from all walks of life to embark on their own spiritual journeys The book also reflects the rich context of early 20th century spiritual movements that sought to bridge the gap between Eastern and Western thought making it a crucial text for understanding the synthesis of these traditions Paramahansa Yogananda 1893 1952 was a pioneering figure in the introduction of Indian spirituality to the world particularly in the West His personal journey of seeking enlightenment coupled with his experiences of transcending traditional boundaries heavily influenced his teachings His profound insights into meditation yoga and the nature of divinity stem from years of rigorous practice and deep contemplation woven into the fabric of his rich cultural and spiritual heritage Readers seeking a deeper understanding of self and the path to spiritual awakening will find Key to Self Realization invaluable Yogananda's teachings inspire a holistic approach to life emphasizing the interconnectedness of mind body and spirit This collection not only enriches the soul but also equips the reader with the tools needed to navigate the complexities of modern existence with grace and purpose An Analysis of the Revelations, chiefly founded on the Commentaries of J.
