MSHA and Janet Sesser BS CMA provide an overview on how to use the new edition of Jones Bartlett Learning's Medical Assisting Exam Review for National Certification Exams. This fifth edition of Jones Bartlett Learning's Medical Assisting Exam Review for National Certification Exams provides a capstone review for soon-to-be graduated recent graduates and working medical assistants who are preparing to take a national certification exam. Take advantage of a unique approach that uses a pretest with analysis to help users identify their strengths and weaknesses and develop their own personalized study plan to streamline review and practice. This proven book is packed with study smart resources including more than 2,000 questions and six timed simulated exams available online as well as study tips and exam-taking strategies. The book's user-friendly design follows a simple outline format to make the information easy to digest and we have sequenced topics so they build on each other. Every new print copy includes Navigate Premier Access that unlocks a complete interactive eBook, student practice activities, Anatomy Physiology module audio glossary, and more. A proven quick reference format features questions, answers, and rationales on the same page to eliminate wasting time flipping back and forth. An updated bookmark with key medical abbreviations and definitions is included for covering the answers. New and expanded information is provided on emergencies, compliance, Meaningful Use, and ICD 10 and more. What exam takers should know about immunizations, VAERS, VISs, and vaccine storage. Critical Thinking Case Review at the end of each chapter with critical thinking questions related to the case. A pretest with analysis helps users determine their individual strong and weak areas so they can focus their study on what they still need to master. Test preparation tips are provided for users for whom English is their second language. Information useful for study groups along with exam-taking strategies and exam-day preparation tips are included. TestPrep simulating the CCMA, CMA, AAMA, RMA, AMT, and NCMA national exam questions for students. Important review terms with definitions are supported by online flashcards and an audio glossary. NEW Chapter on final knowledge check with additional practice questions. 2023 470 pages [Illustrated Study Guide for the NCLEX-RN® Exam E-Book](#)

JoAnn Zerwekh, 2018-10-25 Who says preparing for the NCLEX has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX RN Exam 10th Edition brings the concepts found on the NCLEX RN to life. This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions including alternate item formats allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE Appendixes for each chapter summarize medications and

nursing procedures for quick reference Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination including priority drag and drop and hot spot illustrated point and click questions Test Alert boxes in the book highlight key concepts frequently found on the NCLEX examination Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination Nursing Priority boxes make it easier for students to distinguish priorities of nursing care Pharmacology tables make key drug information easy to find with high alert medications noted by a special icon Special icons distinguish pediatric and adult disorders and identify content on Self Care and Home Care NEW UPDATED content reflects the most recent NCLEX RN test plan and incorporates important clinical updates NEW 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner NEW Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan NEW Nursing Management and Ethical Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX NEW Priority Concepts added to the beginning of each chapter assist you in concept based nursing programs in focusing on priority concepts for each chapter
