Shopkeepers and Master Artisans in Nineteenth-Century Europe Geoffrey Crossick, Heinz-Gerhard Haupt, 2016-07-01 First published in 1984 Shopkeepers and master artisans had a striking presence in the history of nineteenth century Europe not only in the development of industrial and urban economies but also the fabric of social life and the politics of protest The experience of 1848 the differing pace of various forms of nationalism and liberalism and at the end of the century the shift towards right wing nationalist or Catholic political movements reflected a developing crisis in the petite bourgeoisie The essays examine the nature of this crisis and ask critical questions about the social relations of the petite bourgeoisie with the developing working classes This book as a whole provides a fresh and integrated approach to the world of these shopkeepers and master artisans and illuminates much else besides in the social history of nineteenth century Europe Designation of Critical Habitat for Meda Fulgida (Spinedace), Analysis of the Economic Impacts of Designating Critical Habitat B1; Takings Implications Assessment, 1992 Designation of Critical Habitat for Tiaroga Cobitis (Loach Minnow), Analysis of the Economic Impacts of Designating Critical Habitat B1; Takings Implications Assessment, 1992 *Europe Meets America* Gaia Caramellino, 2016-08-17 An analysis of the New York professional milieu between the Wall Street Crash of 1929 and the aftermath of WWII reveals an unexpected scenario in which diverse branches of technical culture and professional and institutional spheres often overlap and initiatives in the field of architecture are characterised by tensions between designers and technicians which pave the way for issues of architects autonomy responsibility and social roles in the New Deal From an initial portrayal of William Lescaze 1896 1969 as an unconventional figure straddling two continents this book challenges a long established interpretation that sees Lescaze exclusively as promoter of the International Style canons in the United States Moving beyond it this book focuses on the role that the Swiss architect played in defining the main features of New York social housing and in the evolution that marks the encounter between European modernity and an American federal scene still profoundly tied to local conventions From an initially difficult status as an migrant to his involvement in decisional processes and bureaucratic organisations Lescaze's professional progress coincides with the gradual acceptance of European forms and models which little by little became part of the institutional language related to public housing which would

remain prevalent in New York City until the end of WWII Drawing from yet unpublished archival sources pertaining to two fields housing and architecture which have traditionally been separate in American historiography this book sheds light on many crucial issues in a branch of architecture that is particularly relevant today **Women, Violence and Social Change** R. Emerson Dobash, Russell P. Dobash, 2003-12-16 Women Violence and Social Change demonstrates how refuges and shelters stand as the core of the battered women s movement providing a basis for pragmatic support political action and radical renewal From this base movements in Britain and the United States have challenged the police courts and social services to provide greater assistance to women The book provides important evidence on the way social movements can successfully challenge institutions of the State as well as salutatory lessons on the nature of diverted and thwarted struggle Throughout the book the Dobashes years of researching violence against women is illustrated in the depth of their analysis They maintain the tradition established in their first book Violence Against Wives which was widely accalimed **Questions of International Law** Hanna Bokor-Szegö, 1986 **The Theology of the Book of Joel** Willem S. Prinsloo, 2011-11-30 The series Beihefte zur Zeitschrift f r die alttestamentliche Wissenschaft BZAW covers all areas of research into the Old Testament focusing on the Hebrew Bible its early and later forms in Ancient Judaism as well as its branching into many neighboring cultures of the Ancient Near East and the Greco Roman world The Soviet Union and International Cooperation in Legal Matters George Ginsburgs, 2023-11-27 The present title is the second in a three volume set addressed to the general theme of The Soviet Union and International Cooperation in Legal Matters This project will concentrate essentially on the post World War II repertory with some reference to pre 1945 antecedents in order to put the picture in a clearer perspective The preceding volume published in 1988 treated the Soviet Union s record in the field of commercial arbitration and the last one in this three volume set is scheduled to consider its related practices in the domain of criminal law In Part II the author analyzes the ensemble of rules observed between states whereby the legal organs of one will procure for the legal organs of the other procedural services designed to facilitate performance by the recipient party of its mission to administer justice Records and Briefs of the United States Supreme Court , 1942 **Hope Diamond** Richard Kurin, 2017-02-28 An entertaining and well researched history of the Hope diamond Since its discovery in seventeenth century India the Hope diamond a glimmering deep blue gem weighing over 45 carats has been shrouded in mystery and steeped in intrigue In this groundbreaking work Dr Richard Kurin goes beyond the speculation to reveal the truth behind a legendary stone Kurin a cultural anthropologist spent more than a decade on the trail of the legendary gem But the curse that surrounds it which Kurin puts to rest once and for all is only one small piece of a long and lustrous story that moves between ancient religion and modern magic royal power and class rivalry revenge and greed Richly illustrated Hope Diamond works in a grand historical tradition depicting the specific to reveal the universal **The Enemy is Within** Helen Efthimiades-Keith, 2021-10-01 Efthimiadis Keith addresses questions of the historicity of the book of Judith using a more

subjective definition of truth than simple fact or fiction she interprets the text through Jungian methodology as a dream of the unconscious psyche of the Jewish people true in its reflection of their collective identity at the time of the text's composition The author merges Terrence Dawson's literary theory concerning the discernment of the effective protagonist of a narrative with Jungian's method of dream interpretation to analyze the text subjectively from the effective protagonist's point of view The author then extrapolates the book's contents onto a hypothetical historical situation to contextualize the book within the Jewish identity and uses her findings to conduct objective analysis

The Special Apparatus of the Muslim Brotherhood Inception, Objectives and Evolution Trends Research & Advisory, 2020-01-01 This study addresses the issue of violence as it pertains to the Muslim Brotherhood and more specifically the Brotherhood's so-called Special Apparatus Despite the Brotherhood's claim to be nothing but a religious and social advocacy movement the formation of the Special Apparatus under the supervision of the Brotherhood's First Guide has been seen as evidence of the Group's institutionalization of violence as a means of ensuring achievement of its goal of coming to power and establishing the Islamic State and beyond this offering what the Brotherhood's founder Hasan al Banna referred to as the exemplary model for the world The Muslim Brotherhood's ideology has provided the intellectual foundations for a variety of contemporary Islamist groups from Al Qaeda to ISIS the Islamic State of Iraq and Syria which have drawn on such ideas in their justification of violence and terrorism throughout the world This ongoing appeal to the Muslim Brotherhood's ideology has guaranteed the continuity of the Special Apparatus despite the blows it received from government security forces in the nineteen fifties and sixties The Brotherhood's declared dissolution of the Special Apparatus and termination of its activities aside the Group remains favorably disposed to the possession and use of force From its point of view the Muslim Brotherhood possesses a credibility and purity that set it apart from all other entities such that if it were to decide to use force it would most certainly be in response to an urgent need Depending on internal and external variables the activity of the Special Apparatus currently takes a variety of forms be they relevant to politics intelligence gathering or public relations Such activity also includes what is termed defensive violence represented by the unrest vandalism of infrastructure and targeting of police forces that came in the wake of the late President Mohamed Morsi's ouster

Imagining Modern Democracy Ranilo Balaguer Hermida, 2014-11-19 Winner of the 2016 Outstanding Scholarly Work Award for the School of Humanities presented by Ateneo de Manila University This book is a pioneering study of Philippine democracy one of the oldest in the Asian region vis vis Habermasian critical theory Proceeding from a concise examination of the theory of law and democracy found in Habermas's *Between Facts and Norms* Ranilo Balaguer Hermida explains how the law occupies the central role in both the legitimation of political power and the attainment of social integration He then discusses how Habermas proposes to resolve the tension that exists in modern society between democratic norms and social facts through the adoption of a lawmaking procedure whereby the informal sources of issues and opinions from the public sphere are allowed to develop and

interact with the formal deliberations and decision processes inside the political system He also explores certain provisions of the present Philippine Constitution that were expressly intended to restore democratic institutions and processes destroyed by decades of martial law as well as the problems and hindrances that stand in the way of their full implementation
